

## DETERMINATION OF NONSIGNIFICANCE

### Description of Proposal:

The Clark County Department of Environmental Services has issued a determination of non-significance (DNS) under the State Environmental Policy Act Rules (Chapter 192-11 WAC) to adopt and update changes to the Clark County Stormwater Manual and code (Chapter 13.26A Water Quality and 40.385 Stormwater and Erosion Control), as a non-project SEPA review required by law (RCW 36.81.121 and WAC 136.16.010).

Proponent: **Clark County Department of Environmental Services**

Location of proposal, including street address, if any: **Clark County, Washington**

Lead Agency: **Department of Environmental Services, Clark County, Washington**

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

The lead agency has determined that the requirements for environmental analysis, protection, and mitigation measures have been adequately addressed in the development regulations and comprehensive plan adopted under chapter 36.70A RCW, and in other applicable local, state, or federal laws or rules, as provided by RCW 43.21C.240 and WAC 197-11-158.

This DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for 15 days from the date below.
