

NOTICE OF PUBLIC HEARING

The Board of County Councilors will hold a public hearing on **Tuesday, the 22nd day of September, 2015 at 10:00 a.m.** in the Commissioners' Hearing Room, 6th Floor, Public Service Center, 1300 Franklin Street, Vancouver, Washington to consider:

CPZ2015-00001: Clark County Parks, Recreation, and Open Space Plan

The Clark County Parks, Recreation, and Open Space Plan (PROS) is the guiding document for the management of Clark County's parks, recreational facilities, open space, and trails. The Greater Clark Parks Department is tasked with implementing the PROS. Per the State of Washington Growth Management Act requirements, this parks master plan contains the following elements: designation of the general location and extent of land uses including recreation and open space lands; identification of useful lands for recreation, including wildlife habitat, trails, and connection of critical areas; estimation of park and recreation demand for at least a 10-year period; and both a six-year and 20-year capital facilities plan.

The County is considering adoption of this plan because the Greater Clark Parks Department was created in 2014 and the current parks master plan is no longer applicable.

Contact Laurie Lebowsky to obtain more information about the PROS at Clark County Community Planning, 1300 Franklin Street, Vancouver, Washington, telephone (360) 397-2280 ext.4544 or email to Laurie.Lebowsky@clark.wa.gov.

Any person wishing to give testimony in this matter should appear at the time, date, and location stated above.
