### What is a Neighborhood Association?

The purpose of a Clark County neighborhood association is to foster a working relationship between the citizens and their local government. It serves as a conduit for information, a forum to discuss concerns, and gives the citizens a voice in county affairs. Each neighborhood association seeks to work toward common interests and enhance the livability of its citizens.

### Who is a member?

Members are all residents, property owners, businesses and a representative of non-profit organizations within the neighborhood boundaries. There are no membership dues.

**Some of you are new to the Sunnyside neighborhood, some of you have participated before. Please join us and bring a neighborhood friend!**

**RSVP's are welcome to assist in planning the first meeting. Call Judy at (360)699-2050 or email: [sunnysidenava@yahoo.com](mailto:sunnysidenava@yahoo.com)**

## **What is association reactivation?**

Sunnyside NA has been inactive in the recent past, with no meetings having taken place for at least 2 years. I have volunteered to schedule a NA meeting to give members an opportunity to once again participate in the neighborhood association program.

Reactivation Volunteer: Judy  
Bumbarger-Enright (360)699-2050

## **Advantages of having an NA**

The county government will notify NA's of activities that may affect the neighborhood, such as possible development. This gives NA's time to react as a group.

The Neighborhood Outreach office provides a Weekly Update page for news releases, upcoming events and meetings affecting neighborhoods, and other county information.

**For more info about NA's and to read the Weekly Update page, go to [www.clark.wa.gov](http://www.clark.wa.gov). Select A-Z index to find Neighborhood Associations. The Neighborhood Outreach Program page has a link to the Weekly Update.**

**(Library branches have computers available for on-site use by patrons.)**

---

Neighborhood associations are volunteer groups and not agents of Clark County government. Newsletter information and views are solely those of the neighborhood association and not of Clark County. Clark County Public Information and Outreach Office supports these volunteers by printing and distributing their newsletters.
