- The Vancouver Lions Club wants to know about community needs. They are conducting a survey of community leaders in the greater Vancouver area to help provide better service to our community. Please access the Community Needs Survey here:  
<http://www.clark.wa.gov/neighborhoods/documents/LionsSurvey.pdf>  
Please email your completed survey to Peggy Bowe. Peggy's contact information is at the bottom of the survey. Or, you may call her at (509) 432-5076.

**Susan Rasmussen with the Clark County Clean Water Commission** was our guest speaker and provided an overview of:

- Storm water management here: <http://www.clark.wa.gov/environment/stormwater/index.html>
- Storm water facility maintenance here:  
<http://www.clark.wa.gov/environment/stormwater/maintenance.html>
- and the clean water fee here: <http://www.clark.wa.gov/environment/stormwater/fee.html>

Susan said stormwater is the number one threat to water quality in urban areas and Clark County currently has 739 bioswales, 450 detention/retention ponds, 187 vaults and 373 miles of stormwater pipes, etc. Clark County has a lot of stormwater facilities. She also talked about what we can do help maintain clean water.

There was discussion about the annual fee and responsibility for the clean water retention ponds in neighborhoods. Neighborhood associations are not required to maintain stormwater retention ponds. However, some homeowners associations are required to care for their retention ponds. For more information regarding Clark County Clean Water Program, you may contact Earl Rowell at (360) 397-2121 ext. 4580 or [Earl.Rowell@clark.wa.gov](mailto:Earl.Rowell@clark.wa.gov).

**Bridget Schwarz with the Fairground Neighborhood Association** didn't make it to our meeting but Doug explained Bridget's desire to create a committee to address emergency information for vulnerable populations. There was discussion and many believed the local fire department would be best suited for this project. Ila talked to 21 of her neighbors and found most unwilling to share information about vulnerability. Fire departments are familiar with many homes in their area that require assistance and would probably be the best agency to facilitate outreach and policy to assist in the event of a catastrophic emergency.

**Mitch Canton with Salmon Creek Live and Clark County Live** is creating a free, LOCAL Web-based resource to empower our neighborhood association and other community entities to better connect with, inform and educate the neighbors that they serve. This Web-based platform will be extendable to allow for users to interact with each other and therefore become more involved with and participatory in the neighborhoods where they live, work, shop and play.

Mitch is planning private testing in March and a public launch in April 2015.

Q&A

- Will the system be public or private? *Yes. Both. Users will have the ability to read and/or contribute based on several membership criteria and the corresponding permissions.*

- How will neighborhood associations be involved? *Develop, implement, moderate, control. The structure of the system is based on neighborhood association usage and the root of the communication efforts rest with the neighborhood associations.*
- Who can join? *Anyone, at various member levels. Selected sub-groups will have Geo-restrictions, but the overriding goal is to get the big picture content into everyone's hands.*
- How much will it cost? *Free, as in the air that we breathe.*
- Is this a government program? *No, but we'd surely love the support as we launch for the community.*
- Why this and not Nextdoor? *Local. Adaptable. And, about 40 other reasons.*
- How can I get involved? *Just ask. We're rolling out a limited, private beta now. Feedback is welcome. It's your platform, developed for your associations, intended to connect your neighbors.*

## Roundtable

**Commander Erin Nolan** introduced KC Kasberg our new Central Precinct Commander and Alex Schoening, our new Outreach Sergeant. All is well at West Precinct.

**Lynda Maguire**, new President of the East Minnehaha Neighborhood Association thanked Sheriff Atkins and Alex Schoening for attending their meeting last week.

**Terry and Maureen Smith** with Meadow Glade Neighborhood Assoc. said the association is reactivating, they are preparing a newsletter, the association has a Facebook page, a meeting is scheduled for April 16, and Gordy Euler with Clark County Planning will speak about the Rural Industrial Land Bank. They plan to invite Deputy Fronk to attend as well.

**Milada Allen** with Felida Neighborhood Assoc. suggested that NACCC invite Denise Smee with the Clark County Conservation Dist. to talk about the district's services and available grants. Milada also reminded everyone that the Kline Fishing Derby will be April 10<sup>th</sup> – 11<sup>th</sup> and volunteers are needed. Additionally the Felida July 4<sup>th</sup> Celebration is quickly approaching. Everyone is encouraged to participate at the annual Felida event. Volunteers are always needed. And finally, Milada encouraged everyone to pay attention to the pre-application notices and testify at the Planning Commission. If you aren't vigilant, you may be surprised.

**Ila Stanek** with West Hazel Dell Neighborhood Association and the Hazel Dell/Salmon Creek Business Assoc. reminded everyone that the Parade of Bands will be on May 16<sup>th</sup>. Retired Sheriff Garry Lucas will be the Grand Marshal. Did you know there's an app for that? Yes indeed. Please download the Parade of Bands app. Ila said, "Mitch Canton created the app specifically for the Parade of Bands. Everyone loves the app. It is awesome!" For more information about the parade and registration: [www.hdscba.org](http://www.hdscba.org) or call (360) 608-0854 or (360) 600-6355.

**Judy Bumbarger-Enright** with Sunnyside said their next meeting will focus on emergency preparedness and Eric Frank with Clark Regional Emergency Services Agency will be their guest speaker.

**Dan Enright with the Neighbors on Watch (NOW) Program** said on March 10, 2015 volunteers with the Clark County and Vancouver NOW programs will participate in a joint "saturation patrol" to look for, and

report, suspicious activity. This is the first time the Vancouver NOW and Clark County NOW programs have worked together. For more information about the Clark County NOW Program, contact Sgt. Alex Schoening at 397-6079 or [Alex.Schoening@clark.wa.gov](mailto:Alex.Schoening@clark.wa.gov).

**Bill Bjerke with Clark County Parks and Barbara Anderson, Co –chair of the Parks Commission** asked everyone to take the online community survey: [www.clark.wa.gov/parks](http://www.clark.wa.gov/parks) and follow the link to the 14-question survey. This is important as the Growth Management Plan is being written. It will only take a few minutes to complete the survey. You may also offer comments or ask questions by email: [Parks@clark.wa.gov](mailto:Parks@clark.wa.gov) or US Post mail: Clark County Parks, 4700 NE 78<sup>th</sup> St., Vancouver, WA 98665 or call: Clark County Parks at (360) 397-2285.

**Mitch Canton** with N. Salmon Creek Neighborhood Association talked a bit about a very large development on the NE corner of 139<sup>th</sup> St. and 10<sup>th</sup> Ave. The neighborhood association was shocked to see the building as there was an agreement in 2008 that it would not occur. For more questions, contact Oliver Orjiako at (360) 397-2280 ext. 4112 or [Oliver.Orjiako@clark.wa.gov](mailto:Oliver.Orjiako@clark.wa.gov).

**Stephan Abramson** with Pleasant Highlands said he passed along information about a neighborhood meeting to neighbors who were concerned regarding a cell tower on 124<sup>th</sup> St. He hasn't heard back from anyone. The Pleasant Highlands Association is having a meeting the end of March. Cheri Larsen, interim Parks Volunteer Coordinator and Robin Washington with Clark County Public Works will be the speakers.

Meeting adjourned at approximately 8:30 PM

The next Neighborhood Associations Council meeting will be April 13, 2015.
