

Equestrian Advisory Group Meeting 12-14-09 Examples of Vision Statements

Here are examples for an Equestrian Overlay from City of Bellevue, with a definition statement and a simpler goal statement, as follows:

Equestrian Overlay Area— A designated area of the city intended to preserve an existing equestrian community. An Equestrian Overlay Area lends support for maintaining an equestrian supportive environment. It provides a framework for making land use and capital investment decisions regarding the type and location of transportation or trail facilities, or the location of arterial crossings leading to regional facilities, consistent with existing subarea and comprehensive plan land use policies. An Equestrian Overlay Area encourages the ability to safely circulate within equestrian neighborhoods, access to regional/community trails or equestrian facilities, and signage to alert residents, newcomers, and travelers to the community's character. Additionally, an Equestrian Overlay Area seeks to promote community, encourage environmentally sound horse keeping, and sustain the area's historical character.

Goal:

To protect and preserve the rural, equestrian, and residential character of Bridle Trails.
