

~PROCLAMATION~

Whereas, October is National Energy Awareness Month; and

Whereas, for years, Clark County has been committed to conserving energy and helping low-income households through local, state and federal grants to its Weatherization Assistance Program; and

Whereas, the weatherization program significantly improves the indoor air quality, safety and preservation of low-income housing in our community; and

Whereas, it is important to recognize local programs that help ensure all residents can live in warm, dry and energy-efficient homes.

Now, therefore, we, the Board of County Councilors, do hereby proclaim October 30, 2015 as

~Weatherization Day~

in Clark County, Washington, and urge all citizens to join in this observance.

Signed this 27th day of October 2015.
