

NOTICE OF PUBLIC HEARING

The Clark County Board of Health will hold a public hearing on **Wednesday, the 22nd day of April at 9:00 a.m.** in the Board of County Councilors' Hearing Room, 6th Floor, Public Service Center, 1300 Franklin Street, Vancouver, Washington, to consider:

An ordinance relating to the regulation of smoking in public places by adoption of the Legislature's enactment of Chapter 70.160, RCW, Smoking in Public Places (SIPP), the regulation of inhalant delivery systems, and the amendment to Title 24 of the Clark County Code, Chapter 24.20. The proposed ordinance takes the existing county code and includes inhalant delivery systems to be subject to the SIPP law, which prohibits smoking in public places, place of employment and within 25 feet of exits, entrances and windows of buildings. Further, the proposed ordinance does not ban inhalant delivery devices; rather, it makes them subject to the same regulation as tobacco products.
