

RESOLUTION NO. 2015-12-03

A resolution repealing portions of the “Job Creation Resolution” removing dedications of tax revenue, making that action retroactive, and providing timely notice prior to the repeal of the “Job Creation Resolution”.

WHEREAS, RCW 82.02.020 authorizes counties to charge an applicant reasonable fees to cover the cost of processing applications, inspections, and plan and SEPA review;

WHEREAS, RCW 82.02.050 authorizes counties to charge traffic impact fees to cover a proportionate share of the cost of providing road improvements listed in the Capital Facilities Plan; and

WHEREAS, in accordance with RCW 82.02.050-82.02.070 and Clark County policy, the Board has adopted a traffic impact fee program, as set forth in Title 40.610 of the CCC; and

WHEREAS, Section 8 of the Resolution 2013-06-06 contains provisions for its eventual review and repeal; and

WHEREAS, projects may require several months to assemble and prepare for application; and

WHEREAS, a sudden repeal of the fee waiver would alter the economic analysis of projects started but not approved; and

WHEREAS, this has created uncertainty about the risk and economics of initiating new development projects; and

WHEREAS, Clark County wishes to provide an economic environment that is stable and predictable; and

WHEREAS, the existing resolution commits sales tax revenue to repay Traffic Impact Fees (TIF’s) waived under this resolution; and

WHEREAS, the Board prefers to use Road Fund resources to repay TIF’s; and

WHEREAS, following its own duly advertised public hearing, the Board finds adoption of this resolution will further the public welfare; now, therefore,

~~((The County discretionary portion of sales tax reported by qualifying businesses shall be identified and used to repay a proportional share of all fees waived under this program.))~~
