**SUBJECT: Award of Bid #2619–Annual High Density Polyethylene Culvert**

---

This bid shall result in an annual requirements contract to acquire the necessary material used for driveways, connections between manholes and catch basins, and drainage culvert projects. These drainage culverts vary in length from ten to hundreds of feet long. This material is also used for repair and extension of existing facilities.

Purchasing received three responses to Bid #2619. The bids were checked for accuracy, content, and compliance to specifications.

Upon review, it was found that James Pipe and Supply of Ridgefield, WA chose not to bid all products and HD Fowler of Vancouver, WA did not include the delivery cost for all bid items in Category two. Therefore, the bids were considered non-responsive and have been rejected in accordance with Part 1, Invitations to Bid, paragraph 2.

Purchasing and Public Works recommend that Bid #2619 be awarded to the lowest responsive bidder, HD Supply Waterworks of Vancouver, WA, for Category #1 (will call) or Category #2 (delivered) for a total bid amount of \$661,748.99 including Washington State Sales Tax, and grant authority to the County Manager to sign all bid related contracts.
