RE: Request award delay of Bid #2621 – Annual Long-Haul Biosolids Trucking Services

---

Public Works and Purchasing are requesting that the award of Bid #2621 - Annual Long-Haul Biosolids Trucking Services be delayed until Tuesday, July 14, 2015 at 10:00 am. The first three vendors failed to pass the required safety inspection and this will allow time for staff to complete the safety inspection on the final bidder. Should the final bidder fail the safety inspection, Purchasing and Public Works will review other options regarding this bid award.
