

Pearson Property/Lewis River Greenway

Pearson Property/Lewis River Greenway

Lewis River Greenway

Pearson Property

- 20 acre property with a residence
 - Was a 1996 package deal with 2 other parcels
 - Since 1996, no public use of property
 - Outside of habitat areas
 - Other properties will provide access to trail
 - Questionable need for future park
- Suggest funds be used to acquire actual habitat areas along the Lewis River Greenway and facilitate the planned river access trail
