ORDINANCE NO. 2013 -12-20

AN ORDINANCE relating to land use; adopting amendments to the 20-year Comprehensive Growth Management Plan Map and Zoning Map; Arterial Atlas Map; Capital Facilities Financial Plan; and amending the existing Capital Facilities Element of the Clark County 20-year Comprehensive Growth Management Plan.

WHEREAS, Clark County adopted a 20-Year Comprehensive Growth Management Plan through ordinances 1994-12-47 and 1994-12-53 on December 20, 1994 to meet the goals and requirements of Chapter 36.70A RCW (also known as the Growth Management Act "GMA"); and

WHEREAS, Clark County adopted an updated 20-Year Comprehensive Growth Management Plan through ordinance 2007-09-13 on September 25, 2007 to meet the goals and requirements of Chapter 36.70A RCW; and

WHEREAS, the county needs to address certain requests for comprehensive plan and zoning changes to meet the goals and requirements of Chapter 36.70A RCW; and

WHEREAS, certain property owners, hereinafter referred to as "Applicants", owners or parties in interest of the hereinafter described real Property have each requested a 20-Year Comprehensive Growth Management Plan Amendment and Zone Change or correction of mapping errors affecting their property; and

WHEREAS, the Clark County Planning Commission reviewed the applications, docket items, amendments and modifications of the plan text, arterial atlas amendments, capital facilities financial plan and updates of the existing capital facilities plan during duly advertised Public Hearings on April 18, May 16, June 20, September 5, 2013 and has forwarded its recommendations to the Board; and,

WHEREAS, the Board of County Commissioners considered amendment cases CPZ2013-00001 (NE 47th Ave); CPZ2013-00002 (Ward Rd/NE 172nd Ave); CPZ2013-00003 (NW 36TH Lakeshore); CPZ2013-00004 (NE 99th St.); CPZ2013-00005 (NE 139th St); CPZ2013-00007 (Fifth Plain Creek) CPZ2013-00009 (Fairgrounds); CPZ2013-00013 (NE 50th Ave); CPZ2013-00010 (NE 99th St/SJO); CPZ2013-00011 (NE 139th St/Gaynor); CPZ2013-00012 (NE 10th Ave/Bishop); CPZ2013-00008 (Yacolt UGA); at duly advertised public hearings on July 16, September 24, October 8, and November 19, 2013; and

WHEREAS, the Board of County Commissioners took public testimony from interested parties, considered all the written and oral arguments and testimony, and considered all the comments presented to the Board; and

WHEREAS, the Board of County Commissioners in reviewing all the respective comprehensive plan changes considered cumulative impacts consistent with Clark County Unified Development Code UDC 40.560.010, Plan Amendment Procedural Ordinance and UDC 40.560.010(S), Cumulative impacts, and

WHEREAS, the Board of County Commissioners also considered the staff reports and recommendations of the Clark County Planning Commission; and

WHEREAS, the Board finds that the approved amendments to the 20-year Comprehensive Growth Management Plan Map and Zoning Map; Arterial Atlas Map; Capital Facilities Plan and Capital Facilities Financial Plan comply with all applicable requirements of the Growth

Management Act, the 20-year Comprehensive Growth Plan, and the Clark County Code, and that they are in the best public interest; and

WHEREAS, the Board concluded at duly advertised public hearings and finds that adoption will further the public health, safety and welfare; now therefore,

BE IT ORDERED AND RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CLARK COUNTY, STATE OF WASHINGTON, as follows:

Section 1. Findings.

The findings and analysis contained in the Clark County Planning Commission's Memorandum dated August 15, August 26, and August 29, 2013, relating to the 2013 Comprehensive Plan and Dockets Amendments are hereby adopted and incorporated herein by reference except where inconsistent with the following.

Section 2. Comprehensive Land Use Plan and Zoning Map Modifications.

1. In the matter of **Annual Review item number CPZ2013-00010 NE 99th St/SJO**. Amend the Clark County 20-Year Comprehensive Growth Management Plan Map Designation and corresponding Zoning Map for that certain property, 88 acres in size, located north of the intersection of NE 99th St. and NE 137th Ave from Mixed Use (MX) to Urban low residential (R1-7.5), Urban medium residential (R-18), Community Commercial (C-3) and Light Industrial (BP) as recommended by the Planning Commission and modified by the Board of County Commissioners as indicated on the attached map (Exhibit 1). The Board concluded that Urban low residential (R1-7.5), Urban medium residential (R-18), Community Commercial (C-3) and Light Industrial (BP) zone better implements the applicable Comprehensive Plan policies than the Mixed Use (MX) district subject to the concomitant rezone agreements (Exhibit 1a) offered by the property owner to Clark County. The approval will be effective for each parcel upon receipt and recordation of the concomitant rezone agreement and boundary line adjustment for all parcels. Tax serial numbers 200372000; 200373000; 200306000; 200312000 located in the SE ¼ Section 34, Township 3N, Range 2E and SW1/4 Section 35, Township 3N, Range 2E of the Willamette Meridian.
2. In the matter of **Annual Review item number CPZ2013-00011 NE 139th St/Gaynor**. Amend the Clark County 20-Year Comprehensive Growth Management Plan Map Designation and corresponding Zoning Map for that certain property, 3.82 acres in size, located along NE 139th St. between NE 3rd Ct and Tenney Road from Light Industrial (IL) to Community Commercial (C-3) as recommended by the Planning Commission as indicated on the attached map (Exhibit 2). The Board concluded that Community Commercial (C-3) zone better implements the applicable Comprehensive Plan policies than the Light Industrial (IL) zone. Tax serial number(s) 185402000; located in the SE ¼ Section 22, Township 3N, Range 1E of the Willamette Meridian.
3. In the matter of **Annual Review item number CPZ2013-00012 NE 10th Ave/Bishop**. Amend the Clark County 20-Year Comprehensive Growth Management Plan Map Designation and corresponding Zoning Map for that certain property, 15 acres in size, located NW of the intersection of NE 10th Ave and SR-502 (NE 219th St) from Rural Residential (R-5) to Rural Commercial (CR-1) as recommended by the Planning Commission and modified by the Board of County Commissioners as indicated on the attached map (Exhibit 3). The Board concluded that the Rural Commercial (CR-1) zone

better implements the Comprehensive Plan policies than Rural Residential (R-5). Tax serial number(s) 216896000; 216957000; 216897000; 216956000; located in the SE ¼ of Section 34, Township 4N, Range 1E of the Willamette Meridian.

4. In the matter of **Docket item number CPZ2013-00013 NE 50th Ave.** Amend the Clark County 20-Year Comprehensive Growth Management Plan Map Designation and corresponding Zoning Map to remove the Urban Holding Designation in an area of approximately 200 acres in size, north of the intersection of NE 50th Ave and NE159th St on the following properties as indicated on the attached map. (Exhibit 4). The Board concluded that the criteria for Urban Holding removal have been met. Tax serial number(s) 181683000; 195923000; 195924000; 195925000; 195929000; 195945000; 195945005; 195964000; 195969000; 195994000; 195995000; 195926000; 195930000 located in the SE ¼ of Section 13, Township 3N, Range 1E of the Willamette Meridian.

5. In the matter of **Docket item number CPZ2013-00007 Fifth Plain Creek.** Amend the Clark County 20-Year Comprehensive Growth Management Plan Map Designation and corresponding Zoning Map to remove the Urban Holding Designation and amend the zoning from R1-7.5 to R1-6, R1-10 and R1-20 in an area of approximately 430 acres in size, south of Ward Rd. bordered generally by NE 162nd Ave to the west and 192nd Ave to the east, on the properties listed below and as indicated on the attached map. (Exhibit 5). The Board concluded that the criteria for Urban Holding removal have been met subject to the developer's agreement (Exhibit 5a) offered by the property owners to the County and the zone amendments better implement the applicable comprehensive plan policies. The approval will be effective for each parcel upon receipt and recordation of the Developer's Agreement related to that parcel. Tax serial number(s) below located in the SE ¼ of Section 13, Township 3N, Range 1E of the Willamette Meridian.

6. In the matter of **Docket item number CPZ2013-00008 Yacolt UGA**. Amend the Clark County 20-Year Comprehensive Growth Management Plan Map Designation and corresponding Zoning Map from Rural 10 (R-10) with an Urban Reserve (UR-10) overlay to Light Industrial (ML) zoning and comprehensive plan with Urban Holding (UH-10) overlay for parcels 229659000, 229617000, a 7.5 acre portion of 229643000 and 986031614 and amend from Rural (R-5) with a Urban Reserve (UR-10) overlay to Urban Low comprehensive plan with R1-20 zoning with Urban Holding (UH) overlay for parcels 279225000, 279222000, and 229623000 respectively as recommended by the Planning Commission and as indicated on the attached map (Exhibit 6). The Board concluded that the Town of Yacolt Comprehensive Plan is internally consistent with the adopted Clark County Comprehensive Plan and the expansion of the Urban Growth Boundary to accommodate expected population growth during the planning period. The Town of Yacolt Town Council adopted the Comprehensive Plan update by Resolution # 497 (Exhibit 6a) on August 19, 2013. Tax serial number(s) below located in NE ¼ of Section 20, Township 4N, Range 3E of the Willamette Meridian; SW ¼ of Section 35, Township 5N, Range 3E of the Willamette Meridian; SW ¼ of Section 20, Township 4N, Range 3E of the Willamette Meridian; SE ¼ of Section 34, Township 5N, Range 3E of the Willamette Meridian.

Section 2. Docket Items/Clark County Initiated.

1. The Clark County Comprehensive Growth Management Capital Facilities Financial Plan is hereby amended. In the matter of **Docket item number CPZ2013-00009 Fairgrounds** (Exhibit 7) the Board concluded that the adoption of the amendments to include the cost of the Clark County Fairgrounds Master Plan is in the best interest of the public.

Section 3. Arterial Atlas Amendments

1. In the matter of **Docket item number CPZ20013-00001 NE 47th Avenue** (Exhibit 8) the Board concluded that the proposed amendment to change the classification of NE 47th Ave between NE 78th St and Minnehaha St. from a Collector (C-2cb) to a Local Commercial/Industrial Street was appropriate. Located within Section 12 of Township 2N, Range 1E, of the Willamette Meridian.
2. In the matter of **Docket item number CPZ20013-00002 Ward Road/NE 172nd Ave** (Exhibit 9 and 9a) the Board approved the following amendments to the Arterial Atlas:
 - 1) Change Ward Rd between NE 88th St and NE 172nd Ave. from a Principal Arterial (Pr4-cb) to a Minor Arterial (M-2cb); 2) Classify Ward Rd from NE 172nd Avenue to NE 119th St as a Rural Major Collector (R-2); 3) Change NE 172nd Ave between Ward Road and NE 99th St from a Rural Major Collector (R-2) to a Minor Arterial (M-2cb); and 4) Delete the future extension of NE 99th St between NE 172nd Ave and Ward Road. Located within Sections 1 & 6 of Township 2N, Range 3E, and Sections 30 & 31 of Township 3N, Range 3E of the Willamette Meridian.
3. In the matter of **Docket item number CPZ20013-00003 NW 36th Ave/Lakeshore** (Exhibit 10) the Board concluded that the proposed amendment to change the classification of NW 36th Ave/Lakeshore Avenue between Bliss Road and NE 78th St from a Principal Arterial (PR-2cb) to a Minor Arterial (M-2cb) was appropriate. Located

within Section 21 of Township 2N, Range 1W, and Sections 20, 29, 32 &33 of Township 3N, Range 1W of the Willamette Meridian.

4. In the matter of **Docket item number CPZ20013-00004 NE 99th St.** (Exhibit 11) the Board concluded that the proposed amendment to change NW/NE 99th St between NW 9th and NE 25th Ave from a Minor Arterial (M-4b) to a Minor Arterial (M-4cb) was appropriate. Located within Sections 2 & 3 of Township 2N, Range 1E, of the Willamette Meridian.
5. In the matter of **Docket item number CPZ20013-00005 NE 139th St.** (Exhibit 12) the Board concluded that the proposed amendment to change the classification of NE 139th St between Tenney Road and NE 20th Ave from a future Minor Arterial (M-4cb) to a Minor Arterial (M-4cb) was appropriate. Located within Sections 26 & 27 of Township 3N, Range 1E, of the Willamette Meridian.

Section 6. Severability.

If any section, sentence, clause, or phrase of this ordinance should be held invalid or unconstitutional by a court of competent jurisdiction or the Growth Management Hearings Board, such invalidity or unconstitutionality shall not affect the validity or unconstitutionality of any other section, sentence, clause, or phrase of this ordinance.

Section 7. Effective Date.

This ordinance shall go into effect at 12:01 a.m. on January 1, 2014.

Section 8. Instructions to Clerk.

The Clerk to the Board shall:

1. Transmit a copy of this ordinance to the Washington State Department of Commerce within ten days of its adoption pursuant to RCW 36.70A.106.
2. Transmit a copy of the adopted ordinance to Clark County Geographic Information Systems (Ken Pearrow GIS Coordinator), to Community Planning Department, and to Community Development Department - Development Services (Debra Weber, Tidemark Data Manager).
3. Transmit a copy of the adopted ordinance to the School District Consortium's representative Marnie Allen at ESD 112, 2500 NE 65th Avenue, Vancouver, WA 98661.
4. Record a copy of this ordinance with the Clark County Auditor.
5. Cause notice of adoption of this ordinance to be published forthwith pursuant to RCW 36.70A.290.

ADOPTED this ____ day of December 2013.

COVENANT REZONE AGREEMENT

An Agreement with and Covenant to Clark County as a part of the rezone of property

RECITALS

WHEREAS, SJO LO 90 B LLC. ("SJO") owns certain real property located in Clark County, Washington, north of NW 99th Street, also known as tax parcels 200372-000, 200373-000, 200306-000 and 200312-000, legally described in Exhibit "A", and incorporated by reference herein. ("the Property"); and

WHEREAS, the County finds that rezoning the Property from Mixed Use (MX) to a combination of zones including Urban Low (R1-7.5), Multi Family (R-18), Business Park (BP) and Commercial (C-3) is in the public interest provided, however, that between six (6) acres and eight and one half (8.5) acres of the Property must be zoned for multi-family use, that two (2) acres of the Property must be zoned for commercial use, and five (5) acres of the Property shall be zoned for BP for a period of five years, and if not developed within that time, shall zoned to R1-7.5 (2.5 acres) and R-18 (2.5 acres) zoning; and

WHEREAS, SJO agrees to this condition, provided that SJO has flexibility regarding the location of the Commercial (C-3), Business Park (BP) and Multi Family (R-18) zoning on the Property; and,

WHEREAS, the County and SJO recognize that such flexibility will need to be exercised in the future at the time of development for the C-3, BP and R-18 portions of the Property;

NOW THEREFORE, based on the foregoing Recitals, the parties agree as follows:

Section 1 Covenants and agreements. This is a Concomitant Rezone Agreement and Covenant to Clark County from SJO. SJO covenants and agrees on behalf of itself and all of its heirs, assigns and successors in interest into whose ownership the Property might pass, as follows:

- a) Applicants are the sole and exclusive owners of the real property situated in Clark County, Washington, legally described in Exhibit "A" attached hereto.
- b) This zoning approved as part of the 2013 Comprehensive Plan amendment process, as depicted on Exhibit B, shall become effective, upon, but only upon, SJO recording a boundary line adjustment agreement with the Clark County Auditor which adjusts the current configuration of the Property's legal lots, to conform to the zones depicted on Exhibit B, such that no lots contain more than one zoning designation.
- c) After the boundary line adjustment process identified in subsection (a) above is completed, SJO may in the future boundary line adjust the Property's legal lots and corresponding zoning, such that the location of the R-18, C-3, BP and R1-7.5 zoned lots may be moved to another location on the Property by recording a boundary line adjustment agreement accomplishing said relocation; provided that no split zoned parcels are created. Such relocation of zoning and reconfiguration of lots shall not require another rezone or Comprehensive Plan amendment; and shall not diminish, nor increase, the total acreage of R-18 zoned land on the Property; and such relocation shall not cause the C-3, BP or Multi Family zoned land to be placed adjacent to either the east or west property lines of the Property. All rezoning occurring after this initial legislative action by the Board of County Commissioners shall require approval on the consent agenda of the Commissioners.

d) For the first five years after the execution of this agreement, the five (5) acre portion of the Property zoned BP may not be decreased in size. If the five (5) acres of BP zoned property have not been fully developed within five years after the execution of this agreement, then if the undeveloped portion of the BP zoned property is less than two and one half (2.5 acres), then it shall automatically convert to R18 zoning. If the undeveloped portion of the BP zoned property is greater than two and one half (2.5 acres), then the amount of undeveloped BP zoned land in excess of two and one half (2.5 acres), shall revert to R1-7.5. Upon request by the property owner prior to the expiration of the five year period, the BP zoned property may remain zoned BP. No C-3 or BP zoned land will be placed adjacent to either the east or west property lines of the Property.

Section 2 Enforcement. In the event of a breach of this covenant, it may be enforced by the County in any or all of the following ways at its option:

Section 2.1 By the County's refusal to issue either Final Site Plan Review approval or Preliminary Plat approval.

Section 2.2 By bringing suit in Clark County Superior Court for an injunction to cause specific performance of this Agreement or for other appropriate relief as may be deemed desirable by County;

Section 3 Amendment, Modification, Termination. This Covenant shall remain in full force and effect until amended, modified or terminated by the action of Clark County in zoning proceedings appropriate for that purpose. Nothing in this Covenant shall be construed as limiting in any way the authority of Clark County, or its governmental successors, to approve amendments or modifications to this Covenant. It is expressly provided that this Covenant may be amended, modified or terminated with the approval of Clark County, or its governmental successors, and under no circumstances shall any approval by any other person or entity be required in order for SJO or its successors in interest to seek amendment, modification or termination of this Covenant in whole or in part.

Section 4 Filing. A copy of this Agreement will be filed with the Clark County Auditor in his recording department so as to appear as a covenant within the chain of title for the Property

Section 5 Severability. If any provision of this Agreement, or the application of the provision to any person or circumstance, is declared invalid, then the remaining provisions of the Agreement, or the application of the provision to other persons or circumstances, shall not be affected.

Section 6 Successors. This Agreement and all of its provisions, and each of them, shall run with the land and be binding upon SJO, and any and all of its heirs, assigns and successors in interest into whose respective ownership any part of the Property may pass.

**DEVELOPMENT AGREEMENT FOR
REMOVAL OF URBAN HOLDING DESIGNATION
BY AND BETWEEN CLARK COUNTY
AND PROPERTY OWNER**

THIS DEVELOPMENT AGREEMENT is made and entered into by and between Clark County, a Washington Municipal Corporation, hereinafter the "County," and H Squared Investments, LLC, a hereinafter referred to as the "Owners."

RECITALS

WHEREAS, the Owner owns or controls those certain parcel or parcels of real property ("the Property") which are located within the County's present Urban Growth Boundary, and whose legal descriptions are more fully described in the deeds attached as Exhibit "A", which is incorporated by reference herein; and,

WHEREAS, the County is a Washington Municipal Corporation with land use planning and permitting authority, including zoning and implementation of the Comprehensive Plan; and,

WHEREAS, the Washington State Legislature has authorized the execution of a Development Agreement between a local government and a person having ownership or control of real property within its jurisdiction (RCW 36.70B.170 (1)); and

WHEREAS, a Development Agreement may set forth the development standards and other provisions that shall apply to, govern and vest the development, use and mitigation of the development of the real property for the duration specified in the agreement; all pursuant to RCW 36.70B.170(1) which provides:

(1) A local government may enter into a development agreement with a person having ownership or control of real property within its jurisdiction. A city may enter into a development agreement for real property outside its boundaries as part of a proposed annexation or a service agreement. A development agreement must set forth the development standards and other provisions that shall apply to and govern and vest the development, use, and mitigation of the development of the real property for the duration specified in the agreement. A development agreement shall be consistent with applicable development regulations adopted by a local government planning under chapter 36.70A RCW;

And,

WHEREAS, the legislative findings supporting the enactment of this section provide:

The legislature finds that the lack of certainty in the approval of development projects can result in a waste of public and private resources, escalate housing costs for consumers and discourage the commitment to comprehensive planning which would make maximum efficient use of resources at the least economic cost to the public. Assurance to a development project applicant that upon government approval the project may proceed in accordance with existing policies and regulations, and subject to conditions of approval, all as set forth in a development agreement, will strengthen the public planning process, encourage private participation and comprehensive planning, and reduce the economic costs of development. Further, the lack of public facilities and services is a serious impediment to development of new housing and commercial uses. Project applicants and local governments may include provisions and agreements whereby applicants are reimbursed over time for financing public facilities. It is the intent of the legislature by RCW 36.70B.170 through 36.70B.210 to allow local governments and owners and developers of real property to enter into development agreements;

And,

WHEREAS, for the purposes of this Development Agreement, "development standards" includes, but is not limited to, all of the standards listed in RCW 36.70B.170 (3); and

WHEREAS, the Property is currently subject to the County's Urban Holding designation; and

WHEREAS, pursuant to the County's Comprehensive Plan criteria, the parties wish to establish and memorialize that such criteria has been satisfied or shall be satisfied under the provisions of this Agreement.

NOW, THEREFORE, THE PARTIES HERETO AGREE AS FOLLOWS:

Section 1. Development Agreement.

This Agreement is a Development Agreement to be implemented in accordance with RCW 36.70B.170 through RCW 36.70B.210. It shall become a contract between the Owner and the County upon the County's approval by ordinance or resolution following a public hearing as provided for in RCW 36.70B.170.

Section 2. Definitions.

As used in this Development Agreement, the following terms, phrases and words shall have the meanings and be interpreted as set forth in this Section.

- a) "Adopting Resolution" means the Resolution which approves this Development Agreement, as required by RCW 36.70B.200.
- b) "Effective Date" means the effective date established by the Adopting Resolution.

Section 3. Removal of Urban Holding Designation.

The Board of County Commissioners will adopt a Resolution prior to or concurrent with this agreement containing affirmative findings that amendment of the Capital Facilities Plan will allow Transportation Impact fees from the this area to be used for projects in the unincorporated area. Findings by the Board that localized critical links and intersection improvements are reasonably funded will allow the Urban Holding designation for the Property to be removed; and, based upon the provisions of this Agreement, the County agrees to remove the Urban Holding designation for the Property.

Section 4. Payment of Park Impact Fee.

The Fifth Plain Creek urban holding area requires adoption of a master plan that includes a neighborhood park. The party's commitment below satisfies this requirement.

In addition to the Park Impact fee (PIF) that would otherwise apply to the issuance of a building permit on the Property; the Owner agrees to be subject to an additional five hundred dollar (500.00) per lot additional park impact fee. Such fee shall be paid at the same time as PIFs otherwise due would be paid.

Section 5. No Building Permit.

No building permit(s) for the Property shall be issued for any of the Property subdivided after the date of this agreement, unless the County's Capital Facilities Plan has been amended (and, if necessary, amendment of the inter-local agreement between the City and the County) to allow the County to collect and utilize TIFs from the Fifth Plain Creek area on transportation improvements in the Fifth Plain Creek sub-area. (A note to this effect must be included on the face of the plats for all property subject to this/these development agreements.) The County agrees to exercise its best efforts to amend the Capital Facilities Plan for the Fifth Plain Creek sub-area within 18 months of the date of this agreement. The Property shall vest for purposes of the TIF rate paid per trip at the time of building permit application.

Section 6. Annexation.

The Owner agrees that prior to recording a Final Plat or receiving a Final Site Plan Approval, it shall record a covenant on the Property indicating that the owner or any subsequent owner of the Property shall not oppose annexation to a city.

Section 7. Term of Agreement.

This Agreement shall commence upon the Effective Date, and shall continue in force for a period of ten (10) years by mutual agreement of the parties.

Section 8. Land Use Applications and Vesting.

As provided for in RCW 36.70B.190, during the term of this Agreement, the development standards provided for in this Agreement shall not be subject to unilateral amendment, or

ordinance or development standard or regulation adopted after the effective date of this Agreement. The parties agree that regulations imposed pursuant to the Clean Water Act are not subject to vesting under this section.

Section 9. Minor Modifications.

Minor modifications to the provisions of this Agreement or the exhibits attached hereto that are mutually agreed upon by the Parties may be allowed administratively without the necessity of a public hearing. Pursuant to RCW 36.70B.170, the County reserves the right to impose new or different regulations to the extent required by a serious threat to public health and safety.

Section 10. Further Discretionary Actions.

Nothing in this Agreement shall be construed to limit the authority or the obligation of the County to process any land use approvals, including preliminary plat, PUD, CUP, Site Plan Review or Building Permit under the processes established by the County; provided however, that such process shall not impose conditions inconsistent with the provisions of this Agreement.

Section 11. Remedies.

Should a disagreement arise between the County and the Owner regarding the interpretation and application of this Agreement, the parties agree to attempt to resolve the disagreement by first meeting and conferring. If mediation proves unsuccessful the disagreement may be resolved by judicial action filed in the Clark County Superior Court.

Section 12. Performance.

Failure by either party at any time to require performance by the other party of any of the provisions hereof shall in no way affect the parties' rights hereunder to enforce the same, nor shall any waiver by a party of the breach hereof be held to be a waiver of any succeeding breach or a waiver of this non-waiver clause.

Section 13. Venue.

This Agreement shall be construed in accordance with and, governed by, the laws of the State of Washington. The parties agree to venue in the Superior Court for Clark County, State of Washington, to resolve any disputes that may arise under this Agreement.

Section 14. Notices.

All notices, demands, consents, approval or other communications which are required or desired to be given by either party to the other hereunder will be in writing and will be hand-delivered or sent by United States Mail, addressed to the appropriate party at its address as set forth, or at such other address as the party will have last designated by notice to the other. Notices, demands, consents, approvals, and other communications will be deemed given when delivered two (2) days after mailing.

Section 15. Severability.

If any portion of this Agreement shall be invalid or unenforceable to any extent, the validity of the remaining provisions shall not be affected thereby.

Section 16. Inconsistencies.

If any provisions of the Clark County Code or the Owner's future land use approvals are deemed inconsistent with the provisions of this Agreement, the provisions of this Agreement shall prevail.

Section 17. Binding on Successors and Recording.

This Agreement shall run with the land and be binding upon and inure to the benefit of the owner(s), the parties, and their respective heirs, successors and assigns. This Agreement shall be recorded against the real property indicated on Exhibit "A" with the Clark County Auditor.

Section 18. Assignment.

Any Owner may sell or otherwise lawfully dispose of any portion of the Property to another person who, unless otherwise released by all parties, shall be subject to the applicable provisions of this Agreement and entitled to all rights provided for herein. Further, the rights and obligations provided for in this Agreement may be assigned or otherwise transferred.

Section 19. Recitals.

Each of the recitals contained herein are intended to be, and are incorporated as, covenants between the parties and shall be so construed.

Section 20. Amendments.

This Agreement may only be amended by mutual agreement of the parties.

Section 21. No Third-Party Beneficiaries.

This Agreement represents the entire Agreement between the Owner and the County with regard to development of the Property and all prior agreements oral or written are superseded hereby. This Agreement is for the benefit of the County in its duty to provide for public health, safety and welfare and for the owner. No rights or obligations are intended or created by this Agreement.

**DEVELOPMENT AGREEMENT FOR
REMOVAL OF URBAN HOLDING DESIGNATION
BY AND BETWEEN CLARK COUNTY
AND PROPERTY OWNER**

THIS DEVELOPMENT AGREEMENT is made and entered into by and between Clark County, a Washington Municipal Corporation, hereinafter the "County," and Eugene C. Anderson and Linda L. Anderson, trustees of the Eugene C. Anderson and Linda A. Anderson Revocable Trust dated March 30, 2004, hereinafter referred to as the "Owners."

RECITALS

WHEREAS, the Owner owns or controls those certain parcel or parcels of real property ("the Property") which are located within the County's present Urban Growth Boundary, and whose legal descriptions are more fully described in the deeds attached as Exhibit "A", which is incorporated by reference herein; and,

WHEREAS, the County is a Washington Municipal Corporation with land use planning and permitting authority, including zoning and implementation of the Comprehensive Plan; and,

WHEREAS, the Washington State Legislature has authorized the execution of a Development Agreement between a local government and a person having ownership or control of real property within its jurisdiction (RCW 36.70B.170 (1)); and

WHEREAS, a Development Agreement may set forth the development standards and other provisions that shall apply to, govern and vest the development, use and mitigation of the development of the real property for the duration specified in the agreement; all pursuant to RCW 36.70B.170(1) which provides:

(1) A local government may enter into a development agreement with a person having ownership or control of real property within its jurisdiction. A city may enter into a development agreement for real property outside its boundaries as part of a proposed annexation or a service agreement. A development agreement must set forth the development standards and other provisions that shall apply to and govern and vest the development, use, and mitigation of the development of the real property for the duration specified in the agreement. A development agreement shall be consistent with applicable development regulations adopted by a local government planning under chapter 36.70A RCW;

And,

WHEREAS, the legislative findings supporting the enactment of this section provide:

The legislature finds that the lack of certainty in the approval of development projects can result in a waste of public and private resources, escalate housing costs for consumers and discourage the commitment to comprehensive planning which would make maximum efficient use of resources at the least economic cost to the public. Assurance to a development project applicant that upon government approval the project may proceed in accordance with existing policies and regulations, and subject to conditions of approval, all as set forth in a development agreement, will strengthen the public planning process, encourage private participation and comprehensive planning, and reduce the economic costs of development. Further, the lack of public facilities and services is a serious impediment to development of new housing and commercial uses. Project applicants and local governments may include provisions and agreements whereby applicants are reimbursed over time for financing public facilities. It is the intent of the legislature by RCW 36.70B.170 through 36.70B.210 to allow local governments and owners and developers of real property to enter into development agreements;

And,

WHEREAS, for the purposes of this Development Agreement, "development standards" includes, but is not limited to, all of the standards listed in RCW 36.70B.170 (3); and

WHEREAS, the Property is currently subject to the County's Urban Holding designation; and

WHEREAS, pursuant to the County's Comprehensive Plan criteria, the parties wish to establish and memorialize that such criteria has been satisfied or shall be satisfied under the provisions of this Agreement.

NOW, THEREFORE, THE PARTIES HERETO AGREE AS FOLLOWS:

Section 1. Development Agreement.

This Agreement is a Development Agreement to be implemented in accordance with RCW 36.70B.170 through RCW 36.70B.210. It shall become a contract between the Owner and the County upon the County's approval by ordinance or resolution following a public hearing as provided for in RCW 36.70B.170.

Section 2. Definitions.

As used in this Development Agreement, the following terms, phrases and words shall have the meanings and be interpreted as set forth in this Section.

- a) "Adopting Resolution" means the Resolution which approves this Development Agreement, as required by RCW 36.70B.200.
- b) "Effective Date" means the effective date established by the Adopting Resolution.

Section 3. Removal of Urban Holding Designation.

The Board of County Commissioners will adopt a Resolution prior to or concurrent with this agreement containing affirmative findings that amendment of the Capital Facilities Plan will allow transportation impact fees from the this area to be used for projects in the unincorporated area. Findings by the Board that localized critical links and intersection improvements are reasonably funded will allow the Urban Holding designation for the Property to be removed; and, based upon the provisions of this Agreement, the County agrees to remove the Urban Holding designation for the Property.

Section 4. Payment of Park Impact Fee.

The Fifth Plain Creek urban holding area requires adoption of a master plan that includes a neighborhood park. The party's commitment below satisfies this requirement.

In addition to the Park Impact fee (PIF) that would otherwise apply to the issuance of a building permit on the Property, the Owner agrees to be subject to an additional five hundred dollar (500.00) per lot additional park impact fee. Such fee shall be paid at the same time as PIFs otherwise due would be paid.

Section 5. No Building Permit.

No building permit(s) for the Property shall be issued for any of the Property subdivided after the date of this agreement, unless the County's Capital Facilities Plan has been amended (and, if necessary, amendment of the inter-local agreement between the City and the County) to allow the County to collect and utilize TIFs from the Fifth Plain Creek area on transportation improvements in the Fifth Plain Creek sub-area. (A note to this effect must be included on the face of the plats for all property subject to this/these development agreements.) The County agrees to exercise its best efforts to amend the Capital Facilities Plan for the Fifth Plain Creek sub-area within 18 months of the date of this agreement. The Property shall vest for purposes of the TIF rate paid per trip at the time of building permit application.

Section 6. Annexation.

The Owner agrees that prior to recording a Final Plat or receiving a Final Site Plan Approval, it shall record a covenant on the Property indicating that the owner or any subsequent owner of the Property shall not oppose annexation to a city.

Section 7. Term of Agreement.

This Agreement shall commence upon the Effective Date, and shall continue in force for a period of ten (10) years by mutual agreement of the parties.

Section 8. Land Use Applications and Vesting.

As provided for in RCW 36.70B.190, during the term of this Agreement, the development standards provided for in this Agreement shall not be subject to unilateral amendment, or amendment to zoning ordinances, development standards, or regulations, or a new zoning

ordinance or development standard or regulation adopted after the effective date of this Agreement. The parties agree that regulations imposed pursuant to the Clean Water Act are not subject to vesting under this section.

Section 9. Minor Modifications.

Minor modifications to the provisions of this Agreement or the exhibits attached hereto that are mutually agreed upon by the Parties may be allowed administratively without the necessity of a public hearing. Pursuant to RCW 36.70B.170, the County reserves the right to impose new or different regulations to the extent required by a serious threat to public health and safety.

Section 10. Further Discretionary Actions.

Nothing in this Agreement shall be construed to limit the authority or the obligation of the County to process any land use approvals, including preliminary plat, PUD, CUP, Site Plan Review or Building Permit under the processes established by the County; provided however, that such process shall not impose conditions inconsistent with the provisions of this Agreement.

Section 11. Remedies.

Should a disagreement arise between the County and the Owner regarding the interpretation and application of this Agreement, the parties agree to attempt to resolve the disagreement by first meeting and conferring. If mediation proves unsuccessful the disagreement may be resolved by judicial action filed in the Clark County Superior Court.

Section 12. Performance.

Failure by either party at any time to require performance by the other party of any of the provisions hereof shall in no way affect the parties' rights hereunder to enforce the same, nor shall any waiver by a party of the breach hereof be held to be a waiver of any succeeding breach or a waiver of this non-waiver clause.

Section 13. Venue.

This Agreement shall be construed in accordance with and, governed by, the laws of the State of Washington. The parties agree to venue in the Superior Court for Clark County, State of Washington, to resolve any disputes that may arise under this Agreement.

Section 14. Notices.

All notices, demands, consents, approval or other communications which are required or desired to be given by either party to the other hereunder will be in writing and will be hand-delivered or sent by United States Mail, addressed to the appropriate party at its address as set forth, or at such other address as the party will have last designated by notice to the other. Notices, demands, consents, approvals, and other communications will be deemed given when delivered two (2) days after mailing.

**DEVELOPMENT AGREEMENT FOR
REMOVAL OF URBAN HOLDING DESIGNATION
BY AND BETWEEN CLARK COUNTY
AND PROPERTY OWNER**

THIS DEVELOPMENT AGREEMENT is made and entered into by and between Clark County, a Washington Municipal Corporation, hereinafter the "County," Ryan Hurley, hereinafter referred to as the "Owner."

RECITALS

WHEREAS, the Owner owns or controls those certain parcel or parcels of real property ("the Property") which are located within the County's present Urban Growth Boundary, and whose legal descriptions are more fully described in the deeds attached as Exhibit "A", which is incorporated by reference herein; and,

WHEREAS, the County is a Washington Municipal Corporation with land use planning and permitting authority, including zoning and implementation of the Comprehensive Plan; and,

WHEREAS, the Washington State Legislature has authorized the execution of a Development Agreement between a local government and a person having ownership or control of real property within its jurisdiction (RCW 36.70B.170 (1)); and

WHEREAS, a Development Agreement may set forth the development standards and other provisions that shall apply to, govern and vest the development, use and mitigation of the development of the real property for the duration specified in the agreement; all pursuant to RCW 36.70B.170(1) which provides:

(1) A local government may enter into a development agreement with a person having ownership or control of real property within its jurisdiction. A city may enter into a development agreement for real property outside its boundaries as part of a proposed annexation or a service agreement. A development agreement must set forth the development standards and other provisions that shall apply to and govern and vest the development, use, and mitigation of the development of the real property for the duration specified in the agreement. A development agreement shall be consistent with applicable development regulations adopted by a local government planning under chapter 36.70A RCW;

And,

WHEREAS, the legislative findings supporting the enactment of this section provide:

The legislature finds that the lack of certainty in the approval of development projects can result in a waste of public and private resources, escalate housing costs for consumers and discourage the commitment to comprehensive planning which would make maximum efficient use of resources at the least economic cost to the public. Assurance to a development project applicant that upon government approval the project may proceed in accordance with existing policies and regulations, and subject to conditions of approval, all as set forth in a development agreement, will strengthen the public planning process, encourage private participation and comprehensive planning, and reduce the economic costs of development. Further, the lack of public facilities and services is a serious impediment to development of new housing and commercial uses. Project applicants and local governments may include provisions and agreements whereby applicants are reimbursed over time for financing public facilities. It is the intent of the legislature by RCW 36.70B.170 through 36.70B.210 to allow local governments and owners and developers of real property to enter into development agreements;

And,

WHEREAS, for the purposes of this Development Agreement, "development standards" includes, but is not limited to, all of the standards listed in RCW 36.70B.170 (3); and

WHEREAS, the Property is currently subject to the County's Urban Holding designation; and

WHEREAS, pursuant to the County's Comprehensive Plan criteria, the parties wish to establish and memorialize that such criteria has been satisfied or shall be satisfied under the provisions of this Agreement.

NOW, THEREFORE, THE PARTIES HERETO AGREE AS FOLLOWS:

Section 1. Development Agreement.

This Agreement is a Development Agreement to be implemented in accordance with RCW 36.70B.170 through RCW 36.70B.210. It shall become a contract between the Owner and the County upon the County's approval by ordinance or resolution following a public hearing as provided for in RCW 36.70B.170.

Section 2. Definitions.

As used in this Development Agreement, the following terms, phrases and words shall have the meanings and be interpreted as set forth in this Section.

- a) "Adopting Resolution" means the Resolution which approves this Development Agreement, as required by RCW 36.70B.200.
- b) "Effective Date" means the effective date established by the Adopting Resolution.

Section 3. Removal of Urban Holding Designation.

The Board of County Commissioners will adopt a Resolution prior to or concurrent with this agreement containing affirmative findings that amendment of the Capital Facilities Plan will allow Transportation Impact fees from the this area to be used for projects in the unincorporated area. Findings by the Board that localized critical links and intersection improvements are reasonably funded will allow the Urban Holding designation for the Property to be removed; and, based upon the provisions of this Agreement, the County agrees to remove the Urban Holding designation for the Property.

Section 4. Payment of Park Impact Fee.

The Fifth Plain Creek urban holding area requires adoption of a master plan that includes a neighborhood park. The party's commitment below satisfies this requirement.

In addition to the Park Impact fee (PIF) that would otherwise apply to the issuance of a building permit on the Property; the Owner agrees to be subject to an additional five hundred dollar (500.00) per lot additional park impact fee. Such fee shall be paid at the same time as PIFs otherwise due would be paid.

Section 5. No Building Permit.

No building permit(s) for the Property shall be issued for any of the Property subdivided after the date of this agreement, unless the County's Capital Facilities Plan has been amended (and, if necessary, amendment of the inter-local agreement between the City and the County) to allow the County to collect and utilize TIFs from the Fifth Plain Creek area on transportation improvements in the Fifth Plain Creek sub-area. (A note to this effect must be included on the face of the plats for all property subject to this/these development agreements.) The County agrees to exercise its best efforts to amend the Capital Facilities Plan for the Fifth Plain Creek sub-area within 18 months of the date of this agreement. The Property shall vest for purposes of the TIF rate paid per trip at the time of building permit application.

Section 6. Annexation.

The Owner agrees that prior to recording a Final Plat or receiving a Final Site Plan Approval, it shall record a covenant on the Property indicating that the owner or any subsequent owner of the Property shall not oppose annexation to a city.

Section 7. Term of Agreement.

This Agreement shall commence upon the Effective Date, and shall continue in force for a period of ten (10) years by mutual agreement of the parties.

Section 8. Land Use Applications and Vesting.

As provided for in RCW 36.70B.190, during the term of this Agreement, the development standards provided for in this Agreement shall not be subject to unilateral amendment, or amendment to zoning ordinances, development standards, or regulations, or a new zoning

ordinance or development standard or regulation adopted after the effective date of this Agreement. The parties agree that regulations imposed pursuant to the Clean Water Act are not subject to vesting under this section.

Section 9. Minor Modifications.

Minor modifications to the provisions of this Agreement or the exhibits attached hereto that are mutually agreed upon by the Parties may be allowed administratively without the necessity of a public hearing. Pursuant to RCW 36.70B.170, the County reserves the right to impose new or different regulations to the extent required by a serious threat to public health and safety.

Section 10. Further Discretionary Actions.

Nothing in this Agreement shall be construed to limit the authority or the obligation of the County to process any land use approvals, including preliminary plat, PUD, CUP, Site Plan Review or Building Permit under the processes established by the County; provided however, that such process shall not impose conditions inconsistent with the provisions of this Agreement.

Section 11. Remedies.

Should a disagreement arise between the County and the Owner regarding the interpretation and application of this Agreement, the parties agree to attempt to resolve the disagreement by first meeting and conferring. If mediation proves unsuccessful the disagreement may be resolved by judicial action filed in the Clark County Superior Court.

Section 12. Performance.

Failure by either party at any time to require performance by the other party of any of the provisions hereof shall in no way affect the parties' rights hereunder to enforce the same, nor shall any waiver by a party of the breach hereof be held to be a waiver of any succeeding breach or a waiver of this non-waiver clause.

Section 13. Venue.

This Agreement shall be construed in accordance with and, governed by, the laws of the State of Washington. The parties agree to venue in the Superior Court for Clark County, State of Washington, to resolve any disputes that may arise under this Agreement.

Section 14. Notices.

All notices, demands, consents, approval or other communications which are required or desired to be given by either party to the other hereunder will be in writing and will be hand-delivered or sent by United States Mail, addressed to the appropriate party at its address as set forth, or at such other address as the party will have last designated by notice to the other. Notices, demands, consents, approvals, and other communications will be deemed given when delivered two (2) days after mailing.

Section 15. Severability.

If any portion of this Agreement shall be invalid or unenforceable to any extent, the validity of the remaining provisions shall not be affected thereby.

Section 16. Inconsistencies.

If any provisions of the Clark County Code or the Owner's future land use approvals are deemed inconsistent with the provisions of this Agreement, the provisions of this Agreement shall prevail.

Section 17. Binding on Successors and Recording.

This Agreement shall run with the land and be binding upon and inure to the benefit of the owner(s), the parties, and their respective heirs, successors and assigns. This Agreement shall be recorded against the real property indicated on Exhibit "A" with the Clark County Auditor.

Section 18. Assignment.

Any Owner may sell or otherwise lawfully dispose of any portion of the Property to another person who, unless otherwise released by all parties, shall be subject to the applicable provisions of this Agreement and entitled to all rights provided for herein. Further, the rights and obligations provided for in this Agreement may be assigned or otherwise transferred.

Section 19. Recitals.

Each of the recitals contained herein are intended to be, and are incorporated as, covenants between the parties and shall be so construed.

Section 20. Amendments.

This Agreement may only be amended by mutual agreement of the parties.

Section 21. No Third-Party Beneficiaries.

This Agreement represents the entire Agreement between the Owner and the County with regard to development of the Property and all prior agreements oral or written are superseded hereby. This Agreement is for the benefit of the County in its duty to provide for public health, safety and welfare and for the owner. No rights or obligations are intended or created by this Agreement.

WHEREAS, the County is a Washington Municipal Corporation with land use planning and permitting authority, including zoning and implementation of the Comprehensive Plan; and,

WHEREAS, the Washington State Legislature has authorized the execution of a Development Agreement between a local government and a person having ownership or control of real property within its jurisdiction (RCW 36.70B.170 (1)); and

WHEREAS, a Development Agreement may set forth the development standards and other provisions that shall apply to, govern and vest the development, use and mitigation of the development of the real property for the duration specified in the agreement; all pursuant to RCW 36.70B.170(1) which provides:

(1) A local government may enter into a development agreement with a person having ownership or control of real property within its jurisdiction. A city may enter into a development agreement for real property outside its boundaries as part of a proposed annexation or a service agreement. A development agreement must set forth the development standards and other provisions that shall apply to and govern and vest the development, use, and mitigation of the development of the real property for the duration specified in the agreement. A development agreement shall be consistent with applicable development regulations adopted by a local government planning under chapter 36.70A RCW;

And,

WHEREAS, the legislative findings supporting the enactment of this section provide:

The legislature finds that the lack of certainty in the approval of development projects can result in a waste of public and private resources, escalate housing costs for consumers and discourage the commitment to comprehensive planning which would make maximum efficient use of resources at the least economic cost to the public. And,

WHEREAS, for the purposes of this Development Agreement, "development standards" includes, but is not limited to, all of the standards listed in RCW 36.70B.170 (3); and

WHEREAS, the Property is currently subject to the County's Urban Holding designation; and

WHEREAS, pursuant to the County's Comprehensive Plan criteria, the parties wish to establish and memorialize that such criteria has been satisfied or shall be satisfied under the provisions of this Agreement.

NOW, THEREFORE, THE PARTIES HERETO AGREE AS FOLLOWS:

Section 1. Development Agreement.

This Agreement is a Development Agreement to be implemented in accordance with RCW 36.70B.170 through RCW 36.70B.210. It shall become a contract between the Owner and the County upon the County's approval by ordinance or resolution following a public hearing as provided for in RCW 36.70B.170.

Section 2. Definitions.

As used in this Development Agreement, the following terms, phrases and words shall have the meanings and be interpreted as set forth in this Section.

- a) "Adopting Resolution" means the Resolution which approves this Development Agreement, as required by RCW 36.70B.200.
- b) "Effective Date" means the effective date established by the Adopting Resolution.

Section 3. Removal of Urban Holding Designation.

The Board of County Commissioners will adopt a Resolution prior to or concurrent with this agreement containing affirmative findings that amendment of the Capital Facilities Plan will allow Transportation Impact fees from the this area to be used for projects in the unincorporated area. Findings by the Board that localized critical links and intersection improvements are reasonably funded will allow the Urban Holding designation for the Property to be removed; and, based upon the provisions of this Agreement, the County agrees to remove the Urban Holding designation for the Property.

Section 4. Payment of Park Impact Fee.

The Fifth Plain Creek urban holding area requires adoption of a master plan that includes a neighborhood park. The party's commitment below satisfies this requirement.

In addition to the Park Impact fee (PIF) that would otherwise apply to the issuance of a building permit on the Property; the Owner agrees to be subject to an additional five hundred dollar (500.00) per lot additional park impact fee. Such fee shall be paid at the same time as PIFs otherwise due would be paid.

Section 5. No Building Permit.

No building permit(s) for the Property shall be issued for any of the Property subdivided after the date of this agreement, unless the County's Capital Facilities Plan has been amended (and, if necessary, amendment of the inter-local agreement between the City and the County) to allow the County to collect and utilize TIFs from the Fifth Plain Creek area on transportation improvements in the Fifth Plain Creek sub-area. (A note to this effect must be included on the face of the plats for all property subject to this/these development agreements.) The County agrees to exercise its best efforts to amend the Capital Facilities Plan for the Fifth Plain Creek sub-area within 18 months of the date of this agreement. The Property shall vest for purposes of the TIF rate paid per trip at the time of building permit application.

Section 6. Annexation.

The Owner agrees that prior to recording a Final Plat or receiving a Final Site Plan Approval, it shall record a covenant on the Property indicating that the owner or any subsequent owner of the Property shall not oppose annexation to a city.

Section 7. Term of Agreement.

This Agreement shall commence upon the Effective Date, and shall continue in force for a period of ten (10) years by mutual agreement of the parties.

Section 8. Land Use Applications and Vesting.

As provided for in RCW 36.70B.190, during the term of this Agreement, the development standards provided for in this Agreement shall not be subject to unilateral amendment, or amendment to zoning ordinances, development standards, or regulations, or a new zoning

ordinance or development standard or regulation adopted after the effective date of this Agreement. The parties agree that regulations imposed pursuant to the Clean Water Act are not subject to vesting under this section.

Section 9. Minor Modifications.

Minor modifications to the provisions of this Agreement or the exhibits attached hereto that are mutually agreed upon by the Parties may be allowed administratively without the necessity of a public hearing. Pursuant to RCW 36.70B.170, the County reserves the right to impose new or different regulations to the extent required by a serious threat to public health and safety.

**DEVELOPMENT AGREEMENT FOR
REMOVAL OF URBAN HOLDING DESIGNATION
BY AND BETWEEN CLARK COUNTY
AND PROPERTY OWNER**

THIS DEVELOPMENT AGREEMENT is made and entered into by and between Clark County, a Washington Municipal Corporation, hereinafter the "County," and Jesse R. Hurley and Linda L. Hurley, hereinafter referred to as the "Owners."

RECITALS

WHEREAS, the Owner owns or controls those certain parcel or parcels of real property ("the Property") which are located within the County's present Urban Growth Boundary, and whose legal descriptions are more fully described in the deed attached as Exhibit "A", which is incorporated by reference herein; and,

WHEREAS, the County is a Washington Municipal Corporation with land use planning and permitting authority, including zoning and implementation of the Comprehensive Plan; and,

WHEREAS, the Washington State Legislature has authorized the execution of a Development Agreement between a local government and a person having ownership or control of real property within its jurisdiction (RCW 36.70B.170 (1)); and

WHEREAS, a Development Agreement may set forth the development standards and other provisions that shall apply to, govern and vest the development, use and mitigation of the development of the real property for the duration specified in the agreement; all pursuant to RCW 36.70B.170(1) which provides:

(1) A local government may enter into a development agreement with a person having ownership or control of real property within its jurisdiction. A city may enter into a development agreement for real property outside its boundaries as part of a proposed annexation or a service agreement. A development agreement must set forth the development standards and other provisions that shall apply to and govern and vest the development, use, and mitigation of the development of the real property for the duration specified in the agreement. A development agreement shall be consistent with applicable development regulations adopted by a local government planning under chapter 36.70A RCW;

And,

WHEREAS, the legislative findings supporting the enactment of this section provide:

The legislature finds that the lack of certainty in the approval of development projects can result in a waste of public and private resources, escalate housing costs for consumers and discourage the commitment to comprehensive planning which would make maximum efficient use of resources at the least economic cost to the public. Assurance to a development project applicant that upon government approval the project may proceed in accordance with existing policies and regulations, and subject to conditions of approval, all as set forth in a development agreement, will strengthen the public planning process, encourage private participation and comprehensive planning, and reduce the economic costs of development. Further, the lack of public facilities and services is a serious impediment to development of new housing and commercial uses. Project applicants and local governments may include provisions and agreements whereby applicants are reimbursed over time for financing public facilities. It is the intent of the legislature by RCW 36.70B.170 through 36.70B.210 to allow local governments and owners and developers of real property to enter into development agreements;

And,

WHEREAS, for the purposes of this Development Agreement, "development standards" includes, but is not limited to, all of the standards listed in RCW 36.70B.170 (3); and

WHEREAS, the Property is currently subject to the County's Urban Holding designation; and

WHEREAS, pursuant to the County's Comprehensive Plan criteria, the parties wish to establish and memorialize that such criteria has been satisfied or shall be satisfied under the provisions of this Agreement.

NOW, THEREFORE, THE PARTIES HERETO AGREE AS FOLLOWS:

Section 1. Development Agreement.

This Agreement is a Development Agreement to be implemented in accordance with RCW 36.70B.170 through RCW 36.70B.210. It shall become a contract between the Owner and the County upon the County's approval by ordinance or resolution following a public hearing as provided for in RCW 36.70B.170.

Section 2. Definitions.

As used in this Development Agreement, the following terms, phrases and words shall have the meanings and be interpreted as set forth in this Section.

- a) "Adopting Resolution" means the Resolution which approves this Development Agreement, as required by RCW 36.70B.200.
- b) "Effective Date" means the effective date established by the Adopting Resolution.

Section 3. Removal of Urban Holding Designation.

The Board of County Commissioners will adopt a Resolution prior to or concurrent with this agreement containing affirmative findings that amendment of the Capital Facilities Plan will allow Transportation Impact fees from the this area to be used for projects in the unincorporated area. Findings by the Board that localized critical links and intersection improvements are reasonably funded will allow the Urban Holding designation for the Property to be removed; and, based upon the provisions of this Agreement, the County agrees to remove the Urban Holding designation for the Property.

Section 4. Payment of Park Impact Fee.

The Fifth Plain Creek urban holding area requires adoption of a master plan that includes a neighborhood park. The party's commitment below satisfies this requirement.

In addition to the Park Impact fee (PIF) that would otherwise apply to the issuance of a building permit on the Property; the Owner agrees to be subject to an additional five hundred dollar (500.00) per lot additional park impact fee. Such fee shall be paid at the same time as PIFs otherwise due would be paid.

Section 5. No Building Permit.

No building permit(s) for the Property shall be issued for any of the Property subdivided after the date of this agreement, unless the County's Capital Facilities Plan has been amended (and, if necessary, amendment of the inter-local agreement between the City and the County) to allow the County to collect and utilize TIFs from the Fifth Plain Creek area on transportation improvements in the Fifth Plain Creek sub-area. (A note to this effect must be included on the face of the plats for all property subject to this/these development agreements.) The County agrees to exercise its best efforts to amend the Capital Facilities Plan for the Fifth Plain Creek sub-area within 18 months of the date of this agreement. The Property shall vest for purposes of the TIF rate paid per trip at the time of building permit application.

Section 6. Annexation.

The Owner agrees that prior to recording a Final Plat or receiving a Final Site Plan Approval, it shall record a covenant on the Property indicating that the owner or any subsequent owner of the Property shall not oppose annexation to a city.

Section 7. Term of Agreement.

This Agreement shall commence upon the Effective Date, and shall continue in force for a period of ten (10) years by mutual agreement of the parties.

Section 8. Land Use Applications and Vesting.

As provided for in RCW 36.70B.190, during the term of this Agreement, the development standards provided for in this Agreement shall not be subject to unilateral amendment, or amendment to zoning ordinances, development standards, or regulations, or a new zoning

ordinance or development standard or regulation adopted after the effective date of this Agreement. The parties agree that regulations imposed pursuant to the Clean Water Act are not subject to vesting under this section.

Section 9. Minor Modifications.

Minor modifications to the provisions of this Agreement or the exhibits attached hereto that are mutually agreed upon by the Parties may be allowed administratively without the necessity of a public hearing. Pursuant to RCW 36.70B.170, the County reserves the right to impose new or different regulations to the extent required by a serious threat to public health and safety.

Section 10. Further Discretionary Actions.

Nothing in this Agreement shall be construed to limit the authority or the obligation of the County to process any land use approvals, including preliminary plat, PUD, CUP, Site Plan Review or Building Permit under the processes established by the County; provided however, that such process shall not impose conditions inconsistent with the provisions of this Agreement.

Section 11. Remedies.

Should a disagreement arise between the County and the Owner regarding the interpretation and application of this Agreement, the parties agree to attempt to resolve the disagreement by first meeting and conferring. If mediation proves unsuccessful the disagreement may be resolved by judicial action filed in the Clark County Superior Court.

Section 12. Performance.

Failure by either party at any time to require performance by the other party of any of the provisions hereof shall in no way affect the parties' rights hereunder to enforce the same, nor shall any waiver by a party of the breach hereof be held to be a waiver of any succeeding breach or a waiver of this non-waiver clause.

Section 13. Venue.

This Agreement shall be construed in accordance with and, governed by, the laws of the State of Washington. The parties agree to venue in the Superior Court for Clark County, State of Washington, to resolve any disputes that may arise under this Agreement.

Section 14. Notices.

All notices, demands, consents, approval or other communications which are required or desired to be given by either party to the other hereunder will be in writing and will be hand-delivered or sent by United States Mail, addressed to the appropriate party at its address as set forth, or at such other address as the party will have last designated by notice to the other. Notices, demands, consents, approvals, and other communications will be deemed given when delivered two (2) days after mailing.

Post Office Box 5000
Vancouver, WA 98666

Notice to Owners: Jesse R. Hurley and Linda L. Hurley
16906 NE 78th Street
Vancouver WA, 98682

Section 15. Severability.

If any portion of this Agreement shall be invalid or unenforceable to any extent, the validity of the remaining provisions shall not be affected thereby.

Section 16. Inconsistencies.

If any provisions of the Clark County Code or the Owner's future land use approvals are deemed inconsistent with the provisions of this Agreement, the provisions of this Agreement shall prevail.

Section 17. Binding on Successors and Recording.

This Agreement shall run with the land and be binding upon and inure to the benefit of the owner(s), the parties, and their respective heirs, successors and assigns. This Agreement shall be recorded against the real property indicated on Exhibit "A" with the Clark County Auditor.

Section 18. Assignment.

Any Owner may sell or otherwise lawfully dispose of any portion of the Property to another person who, unless otherwise released by all parties, shall be subject to the applicable provisions of this Agreement and entitled to all rights provided for herein. Further, the rights and obligations provided for in this Agreement may be assigned or otherwise transferred.

Section 19. Recitals.

Each of the recitals contained herein are intended to be, and are incorporated as, covenants between the parties and shall be so construed.

Section 20. Amendments.

This Agreement may only be amended by mutual agreement of the parties.

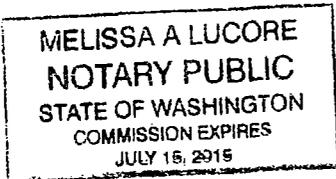

Section 21. No Third-Party Beneficiaries.

This Agreement represents the entire Agreement between the Owner and the County with regard to development of the Property and all prior agreements oral or written are superseded hereby. This Agreement is for the benefit of the County in its duty to provide for public health, safety and welfare and for the owner. No rights or obligations are intended or created by this Agreement.

THIS DEVELOPMENT AGREEMENT is made and entered into by and between Clark County, a Washington Municipal Corporation, hereinafter the "County," and Gary M. Boldt and Helen J. Boldt, hereinafter referred to as the "Owners."

RECITALS

WHEREAS, the Owner owns or controls those certain parcel or parcels of real property ("the Property") which are located within the County's present Urban Growth Boundary, and whose legal descriptions are more fully described in the deeds attached as Exhibit "A", which is incorporated by reference herein; and,

WHEREAS, the County is a Washington Municipal Corporation with land use planning and permitting authority, including zoning and implementation of the Comprehensive Plan; and,

WHEREAS, the Washington State Legislature has authorized the execution of a Development Agreement between a local government and a person having ownership or control of real property within its jurisdiction (RCW 36.70B.170 (1)); and

WHEREAS, a Development Agreement may set forth the development standards and other provisions that shall apply to, govern and vest the development, use and mitigation of the development of the real property for the duration specified in the agreement; all pursuant to RCW 36.70B.170(1) which provides:

(1) A local government may enter into a development agreement with a person having ownership or control of real property within its jurisdiction. A city may enter into a development agreement for real property outside its boundaries as part of a proposed annexation or a service agreement. A development agreement must set forth the development standards and other provisions that shall apply to and govern and vest the development, use, and mitigation of the development of the real property for the duration specified in the agreement. A development agreement shall be consistent with applicable development regulations adopted by a local government planning under chapter 36.70A RCW;

And,

WHEREAS, the legislative findings supporting the enactment of this section provide:

The legislature finds that the lack of certainty in the approval of development projects can result in a waste of public and private resources, escalate housing costs for consumers and discourage the commitment to comprehensive planning which would make maximum efficient use of resources at the least economic cost to the public. It is the intent of the legislature by RCW 36.70B.170 through 36.70B.210 to allow local governments and owners and developers of real property to enter into development agreements;

And,

WHEREAS, for the purposes of this Development Agreement, "development standards" includes, but is not limited to, all of the standards listed in RCW 36.70B.170 (3); and

WHEREAS, the Property is currently subject to the County's Urban Holding designation; and

WHEREAS, pursuant to the County's Comprehensive Plan criteria, the parties wish to establish and memorialize that such criteria has been satisfied or shall be satisfied under the provisions of this Agreement.

NOW, THEREFORE, THE PARTIES HERETO AGREE AS FOLLOWS:

Section 1. Development Agreement.

This Agreement is a Development Agreement to be implemented in accordance with RCW 36.70B.170 through RCW 36.70B.210. It shall become a contract between the Owner and the County upon the County's approval by ordinance or resolution following a public hearing as provided for in RCW 36.70B.170.

Section 2. Definitions.

As used in this Development Agreement, the following terms, phrases and words shall have the meanings and be interpreted as set forth in this Section.

- a) "Adopting Resolution" means the Resolution which approves this Development Agreement, as required by RCW 36.70B.200.
- b) "Effective Date" means the effective date established by the Adopting Resolution.

Section 3. Removal of Urban Holding Designation.

The Board of County Commissioners will adopt a Resolution prior to or concurrent with this agreement containing affirmative findings that amendment of the Capital Facilities Plan will allow Transportation Impact fees from the this area to be used for projects in the unincorporated area. Findings by the Board that localized critical links and intersection improvements are reasonably funded will allow the Urban Holding designation for the Property to be removed; and, based upon the provisions of this Agreement, the County agrees to remove the Urban Holding designation for the Property.

Section 4. Payment of Park Impact Fee.

The Fifth Plain Creek urban holding area requires adoption of a master plan that includes a neighborhood park. The party's commitment below satisfies this requirement.

In addition to the Park Impact fee (PIF) that would otherwise apply to the issuance of a building permit on the Property; the Owner agrees to be subject to an additional five hundred dollar (500.00) per lot additional park impact fee. Section 5. No Building Permit.

No building permit(s) for the Property shall be issued for any of the Property subdivided after the date of this agreement, unless the County's Capital Facilities Plan has been amended (and, if necessary, amendment of the inter-local agreement between the City and the County) to allow the County to collect and utilize TIFs from the Fifth Plain Creek area on transportation improvements in the Fifth Plain Creek sub-area. (A note to this effect must be included on the face of the plats for all property subject to this/these development agreements.) The County agrees to exercise its best efforts to amend the Capital Facilities Plan for the Fifth Plain Creek sub-area within 18 months of the date of this agreement. The Property shall vest for purposes of the TIF rate paid per trip at the time of building permit application.

Section 6. Annexation.

The Owner agrees that prior to recording a Final Plat or receiving a Final Site Plan Approval, it shall record a covenant on the Property indicating that the owner or any subsequent owner of the Property shall not oppose annexation to a city.

Section 7. Term of Agreement.

This Agreement shall commence upon the Effective Date, and shall continue in force for a period of ten (10) years by mutual agreement of the parties.

Section 8. Land Use Applications and Vesting.

As provided for in RCW 36.70B.190, during the term of this Agreement, the development standards provided for in this Agreement shall not be subject to unilateral amendment, or amendment to zoning ordinances, development standards, or regulations, or a new zoning

ordinance or development standard or regulation adopted after the effective date of this Agreement. The parties agree that regulations imposed pursuant to the Clean Water Act are not subject to vesting under this section.

Section 9. Minor Modifications.

Minor modifications to the provisions of this Agreement or the exhibits attached hereto that are mutually agreed upon by the Parties may be allowed administratively without the necessity of a public hearing. Pursuant to RCW 36.70B.170, the County reserves the right to impose new or different regulations to the extent required by a serious threat to public health and safety.

Section 10. Further Discretionary Actions.

Nothing in this Agreement shall be construed to limit the authority or the obligation of the County to process any land use approvals, including preliminary plat, PUD, CUP, Site Plan Review or Building Permit under the processes established by the County; provided however, that such process shall not impose conditions inconsistent with the provisions of this Agreement.

Section 11. Remedies.

Should a disagreement arise between the County and the Owner regarding the interpretation and application of this Agreement, the parties agree to attempt to resolve the disagreement by first meeting and conferring. If mediation proves unsuccessful the disagreement may be resolved by judicial action filed in the Clark County Superior Court.

Section 12. Performance.

Failure by either party at any time to require performance by the other party of any of the provisions hereof shall in no way affect the parties' rights hereunder to enforce the same, nor shall any waiver by a party of the breach hereof be held to be a waiver of any succeeding breach or a waiver of this non-waiver clause.

Section 13. Venue.

This Agreement shall be construed in accordance with and, governed by, the laws of the State of Washington. The parties agree to venue in the Superior Court for Clark County, State of Washington, to resolve any disputes that may arise under this Agreement.

Section 14. Notices.

All notices, demands, consents, approval or other communications which are required or desired to be given by either party to the other hereunder will be in writing and will be hand-delivered or sent by United States Mail, addressed to the appropriate party at its address as set forth, or at such other address as the party will have last designated by notice to the other. **DEVELOPMENT AGREEMENT FOR
REMOVAL OF URBAN HOLDING DESIGNATION
BY AND BETWEEN CLARK COUNTY
AND PROPERTY OWNER**

THIS DEVELOPMENT AGREEMENT is made and entered into by and between Clark County, a Washington Municipal Corporation, hereinafter the "County," and Mark Hinton and Joni J. Hinton, hereinafter referred to as the "Owners."

RECITALS

WHEREAS, the Owner owns or controls those certain parcel or parcels of real property ("the Property") which are located within the County's present Urban Growth Boundary, and whose legal descriptions are more fully described in the deed attached as Exhibit "A", which is incorporated by reference herein; and,

WHEREAS, the County is a Washington Municipal Corporation with land use planning and permitting authority, including zoning and implementation of the Comprehensive Plan; and,

WHEREAS, the Washington State Legislature has authorized the execution of a Development Agreement between a local government and a person having ownership or control of real property within its jurisdiction (RCW 36.70B.170 (1)); and

WHEREAS, a Development Agreement may set forth the development standards and other provisions that shall apply to, govern and vest the development, use and mitigation of the development of the real property for the duration specified in the agreement; all pursuant to RCW 36.70B.170(1) which provides:

(1) A local government may enter into a development agreement with a person having ownership or control of real property within its jurisdiction. A city may enter into a development agreement for real property outside its boundaries as part of a proposed annexation or a service agreement. A development agreement must set forth the development standards and other provisions that shall apply to and govern and vest the development, use, and mitigation of the development of the real property for the duration specified in the agreement. A development agreement shall be consistent with applicable development regulations adopted by a local government planning under chapter 36.70A RCW;

And,

WHEREAS, the legislative findings supporting the enactment of this section provide:

The legislature finds that the lack of certainty in the approval of development projects can result in a waste of public and private resources, escalate housing costs for consumers and discourage the commitment to comprehensive planning which would make maximum efficient use of resources at the least economic cost to the public. Assurance to a development project applicant that upon government approval the project may proceed in accordance with existing policies and regulations, and subject to conditions of approval, all as set forth in a development agreement, will strengthen the public planning process, encourage private participation and comprehensive planning, and reduce the economic costs of development. Further, the lack of public facilities and services is a serious impediment to development of new housing and commercial uses. Project applicants and local governments may include provisions and agreements whereby applicants are reimbursed over time for financing public facilities. It is the intent of the legislature by RCW 36.70B.170 through 36.70B.210 to allow local governments and owners and developers of real property to enter into development agreements;

And,

WHEREAS, for the purposes of this Development Agreement, "development standards" includes, but is not limited to, all of the standards listed in RCW 36.70B.170 (3); and

WHEREAS, the Property is currently subject to the County's Urban Holding designation; and

WHEREAS, pursuant to the County's Comprehensive Plan criteria, the parties wish to establish and memorialize that such criteria has been satisfied or shall be satisfied under the provisions of this Agreement.

NOW, THEREFORE, THE PARTIES HERETO AGREE AS FOLLOWS:

Section 1. Development Agreement.

This Agreement is a Development Agreement to be implemented in accordance with RCW 36.70B.170 through RCW 36.70B.210. It shall become a contract between the Owner and the County upon the County's approval by ordinance or resolution following a public hearing as provided for in RCW 36.70B.170.

Section 2. Definitions.

As used in this Development Agreement, the following terms, phrases and words shall have the meanings and be interpreted as set forth in this Section.

- a) "Adopting Resolution" means the Resolution which approves this Development Agreement, as required by RCW 36.70B.200.
- b) "Effective Date" means the effective date established by the Adopting Resolution.

Section 3. Removal of Urban Holding Designation.

The Board of County Commissioners will adopt a Resolution prior to or concurrent with this agreement containing affirmative findings that amendment of the Capital Facilities Plan will allow Transportation Impact fees from the this area to be used for projects in the unincorporated area. Findings by the Board that localized critical links and intersection improvements are reasonably funded will allow the Urban Holding designation for the Property to be removed; and, based upon the provisions of this Agreement, the County agrees to remove the Urban Holding designation for the Property.

Section 4. Payment of Park Impact Fee.

The Fifth Plain Creek urban holding area requires adoption of a master plan that includes a neighborhood park. The party's commitment below satisfies this requirement.

In addition to the Park Impact fee (PIF) that would otherwise apply to the issuance of a building permit on the Property; the Owner agrees to be subject to an additional five hundred dollar (500.00) per lot additional park impact fee. Such fee shall be paid at the same time as PIFs otherwise due would be paid.

Section 5. No Building Permit.

No building permit(s) for the Property shall be issued for any of the Property subdivided after the date of this agreement, unless the County's Capital Facilities Plan has been amended (and, if necessary, amendment of the inter-local agreement between the City and the County) to allow the County to collect and utilize TIFs from the Fifth Plain Creek area on transportation improvements in the Fifth Plain Creek sub-area. (A note to this effect must be included on the face of the plats for all property subject to this/these development agreements.) The County agrees to exercise its best efforts to amend the Capital Facilities Plan for the Fifth Plain Creek sub-area within 18 months of the date of this agreement. The Property shall vest for purposes of the TIF rate paid per trip at the time of building permit application.

Section 6. Annexation.

The Owner agrees that prior to recording a Final Plat or receiving a Final Site Plan Approval, it shall record a covenant on the Property indicating that the owner or any subsequent owner of the Property shall not oppose annexation to a city.

Section 7. Term of Agreement.

This Agreement shall commence upon the Effective Date, and shall continue in force for a period of ten (10) years by mutual agreement of the parties.

Section 8. Land Use Applications and Vesting.

As provided for in RCW 36.70B.190, during the term of this Agreement, the development standards provided for in this Agreement shall not be subject to unilateral amendment, or amendment to zoning ordinances, development standards, or regulations, or a new zoning

ordinance or development standard or regulation adopted after the effective date of this Agreement. The parties agree that regulations imposed pursuant to the Clean Water Act are not subject to vesting under this section.

Section 9. Minor Modifications.

Minor modifications to the provisions of this Agreement or the exhibits attached hereto that are mutually agreed upon by the Parties may be allowed administratively without the necessity of a public hearing. Pursuant to RCW 36.70B.170, the County reserves the right to impose new or different regulations to the extent required by a serious threat to public health and safety.

Section 10. Further Discretionary Actions.

Nothing in this Agreement shall be construed to limit the authority or the obligation of the County to process any land use approvals, including preliminary plat, PUD, CUP, Site Plan Review or Building Permit under the processes established by the County; provided however, that such process shall not impose conditions inconsistent with the provisions of this Agreement.

Section 11. Remedies.

Should a disagreement arise between the County and the Owner regarding the interpretation and application of this Agreement, the parties agree to attempt to resolve the disagreement by first meeting and conferring. If mediation proves unsuccessful the disagreement may be resolved by judicial action filed in the Clark County Superior Court.

Section 12. Performance.

Failure by either party at any time to require performance by the other party of any of the provisions hereof shall in no way affect the parties' rights hereunder to enforce the same, nor shall any waiver by a party of the breach hereof be held to be a waiver of any succeeding breach or a waiver of this non-waiver clause.

Section 13. Venue.

This Agreement shall be construed in accordance with and, governed by, the laws of the State of Washington. The parties agree to venue in the Superior Court for Clark County, State of Washington, to resolve any disputes that may arise under this Agreement.

Section 14. Notices.

All notices, demands, consents, approval or other communications which are required or desired to be given by either party to the other hereunder will be in writing and will be hand-delivered or sent by United States Mail, addressed to the appropriate party at its address as set forth, or at such other address as the party will have last designated by notice to the other. Notices, demands, consents, approvals, and other communications will be deemed given when delivered two (2) days after mailing.

Section 15. Severability.

If any portion of this Agreement shall be invalid or unenforceable to any extent, the validity of the remaining provisions shall not be affected thereby.

Section 16. Inconsistencies.

If any provisions of the Clark County Code or the Owner's future land use approvals are deemed inconsistent with the provisions of this Agreement, the provisions of this Agreement shall prevail.

Section 17. Binding on Successors and Recording.

This Agreement shall run with the land and be binding upon and inure to the benefit of the owner(s), the parties, and their respective heirs, successors and assigns. This Agreement shall be recorded against the real property indicated on Exhibit "A" with the Clark County Auditor.

Section 18. Assignment.

Any Owner may sell or otherwise lawfully dispose of any portion of the Property to another person who, unless otherwise released by all parties, shall be subject to the applicable provisions of this Agreement and entitled to all rights provided for herein. Further, the rights and obligations provided for in this Agreement may be assigned or otherwise transferred.

Section 19. Recitals.

Each of the recitals contained herein are intended to be, and are incorporated as, covenants between the parties and shall be so construed.

Section 20. Amendments.

This Agreement may only be amended by mutual agreement of the parties.

Section 21. No Third-Party Beneficiaries.

This Agreement represents the entire Agreement between the Owner and the County with regard to development of the Property and all prior agreements oral or written are superseded hereby. This Agreement is for the benefit of the County in its duty to provide for public health, safety and welfare and for the owner. No rights or obligations are intended or created by this Agreement.

A RESOLUTION ADOPTING THE COMPREHENSIVE GROWTH MANAGEMENT PLAN UPDATE FOR THE TOWN OF YACOLT.

WHEREAS, under the Washington State Growth Management Act (GMA), set forth in the Revised Code of the Washington State Constitution Chapter 36.70A, the Town of Yacolt is required to develop a Comprehensive Plan that is consistent with the goals and other requirements of GMA; and

WHEREAS, Yacolt adopted its initial and updated Comprehensive Growth Management Plan on October 15, 2007; and

WHEREAS, Yacolt prepared and circulated the draft of the Comprehensive Plan Update; and

WHEREAS, the draft Comprehensive Plan Update was reviewed under the requirements of the Washington State Environmental Policy Act, and addressed in the Final Environmental Impact Statement for the Comprehensive Growth Management Plans of Clark County, Battle Ground, Camas, La Center, Ridgefield, Vancouver, Washougal and Yacolt, June 28, 2013; and

WHEREAS, Yacolt presented the draft Comprehensive Plan Update to the Clark County Planning Commission on July 16, 2013, and Clark County Long Range Planning staff informed the Planning Commission that there are no conflicts between Clark County's Comprehensive Growth Management Plan and Yacolt's Plan; and

WHEREAS, Yacolt provided opportunities for local agencies and the general public to comment on the Comprehensive Plan Update during an open house and public hearings; and

WHEREAS, the Comprehensive Plan Update was reviewed by the Washington State Department of Community, Trade and Economic Development, and 10 other state agencies; and

WHEREAS, Yacolt revised the Comprehensive Plan Update to address comments from the Washington State Department of Community, Trade and Economic Development and the general public; and

WHEREAS, the Urban Growth Boundary described in the Comprehensive Plan Update is consistent with the boundary recommended for Yacolt by the Clark County Planning Commission; and

NOW THEREFORE, BE IT RESOLVED by the Yacolt Town Council that the Council adopts the January 14, 2013 publication of the Town of Yacolt Comprehensive Growth Management Plan Update, and that the Town Council:

- Affirms that Yacolt's existing Zoning Ordinance 371 serves to implement the Comprehensive Plan, and intends to review and possibly amend the Zoning Ordinance during 2013, to insure its consistency with the Comprehensive Plan; and
- Affirms that Yacolt's existing Critical Lands Ordinance 387 serves to implement the Comprehensive Plan, and intends to review and possibly amend the Critical Lands Ordinance during 2013, to insure its consistency with the Plan; and
- Intends to follow the proper procedure for annexing property to the Town of Yacolt pursuant to RCW 35.13.125-160, during 2014.

Capital Facilities Financial Plan 2007-2012

The Capital Facilities Financial Plan presents a plan for financing capital facilities identified in the Clark County 20-Year Growth Management Comprehensive Plan. This document is part of the supporting documentation to the Plan that was adopted by the Clark County Board of Commissioners on December 20, 1994 and which is reflected in Ordinance 1994-12-47. This document has been updated as part of the revised Comprehensive Plan that was adopted by the Clark County Board of Commissioners under Ordinance 2007-09-13. The other supporting documentation associated with the Plan includes (1) the capital facilities plans for the school districts, Clark County Parks and Transportation; and (2) a summary of the vacant lands analysis for each of the urban growth areas.

EXECUTIVE SUMMARY

The Capital Facility Financial Plan (CFFP) presents a plan for financing capital facilities identified in Clark County's Comprehensive Growth Management Plan, as required by Washington State's Growth Management Act (GMA). It covers the following types of capital facilities: transportation; parks and open space; stormwater drainage and water quality; wastewater treatment; and county buildings and other facilities. The plan covers the 6-year period from 2007-2012.

The plan provides for:

- Expenditures totaling ~~\$698.1~~ 740.6 million over the 6-year period.
- Earmarked resources, such as grants, user fees, voter-approved bonds and legally dedicated revenues, to finance over 70% (or ~~\$495.7~~ 538.1 million) of the expenditure program.
- General purpose funding sources --To complete the financing of its overall capital facilities program, Clark County has the option to allocate additional funds from its general-purpose resources.
- New Development – Clark County is anticipating receiving \$202.4 million from new development sources.

The following table summarizes the expenditures and resources included in this plan:

Table 1 Capital Facilities Financial Executive Summary

	Expenditures	Earmarked Sources	New Development
Transportation	\$176,232,000	\$99,960,000	\$76,272,000
Parks & Open Space	160,909,000	116,805,893	44,103,107
Stormwater Drainage & Water Quality	19,500,000	4,400,000	15,100,000
Wastewater Treatment	77,000,000	10,000,000	67,000,000
County Building & Other Facilities	264,500,000 307,000,000	264,500,000 307,000,000	0
TOTAL	\$698,141,000 \$740,641,000	\$495,665,893 \$538,165,893	\$202,475,107

Like any long-term plan, the financing plan laid out in this document depends upon a number of forecasts and assumptions about future conditions. As time passes, it is expected that this plan will be modified and updated to reflect changing circumstances and financial realities. Year-by-year implementation of the plan will be carried out within the County's budgeting process and other appropriate processes.

PURPOSE AND SCOPE

Washington State's Growth Management Act (GMA) sets forth the requirements for local growth management plans in RCW 36.70A.070(3). One of the requirements is for a capital facilities plan, which must include at least a 6-year financial plan for funding future capital facilities within projected funding capacities, which identifies the sources of public funds. The capital facilities plan for Clark County encompasses chapters 5, 6, and 7 of the Comprehensive Growth Management Plan (CGMP), along with relevant portions of other supporting documentation. This document is intended to identify funding sources for the principal capital facilities provided by Clark County itself. Financing for facilities provided by entities other than Clark County, such as the cities within the county, school districts and fire districts can be found in the CGMP.

Since the CFFP is strictly financial in nature, it does not directly address capital facilities constructed by the private sector and subsequently donated to the county. Examples of such facilities include local streets constructed within subdivisions, local sewer hook-ups, and on-site stormwater detention/infiltration facilities serving new developments. Such facilities are indirectly addressed in that their existence mitigates the need for impact fees or System Development Charges (SDC) to construct them.

This document is also restricted to capital costs. It does not attempt to address issues relating to the need for the on-going maintenance and operation of capital facilities. These issues will be addressed in the Clark County's biennial annual budgeting process. Since this document focuses on the 6-year time frame required by the Growth Management Act, specifically the years from 2007-2012, long-range 20-year projections of expenditures and resources are available elsewhere for most types of facilities. The CFFP is chiefly intended to demonstrate the overall financial feasibility of the Clark County's 6-year capital facilities plan, so it does not contain detailed, project-level information.

This document is not intended to provide a year-by-year spending plan or cash flow analysis. Nor does it address the specific structure or timing of bond issues, where new debt is called for. These details should be developed during the county's annual budgeting process or through other appropriate processes. The information presented in this document is based on data provided by county staff in both oral and written form. Because this is a long-range planning document, rather than a budget, dollar amounts have been rounded to the nearest \$100,000. Finally, this document represents a long-range plan, and, thus, may be revised as appropriate to reflect changing financial conditions and the changing needs of the community.

EXPENDITURES AND EARMARKED RESOURCES

The following pages show the planned expenditure levels for each type of capital facility along with funding sources that are earmarked for each facility type. For example, the Transportation section shows planned expenditures for road construction, along with road-related grants and traffic impact fee revenues, which may be used to finance those expenditures. For some facility types, the earmarked resources are sufficient to finance the entire expenditure program. In other cases, general-purpose resources are needed to supplement the earmarked sources. (Sources of general purpose funding are discussed in the following section.)

Some of the earmarked revenue sources already exist. Examples include road fund property taxes, transportation and park impact fees, and the proceeds of the conservation futures bond

issue. Other sources, such as certain grants, have not yet been received, but are expected without the need for major action on the part of the Board of County Commissioners. Finally, certain earmarked sources described in this section will not materialize without specific action by the Board and are identified in the following pages.

Expenditures outlined in this section are divided into those related to "existing needs" and those resulting from "new development." This categorization is approximate, and is based upon information included in the Comprehensive Growth Management Plan. The basis for categorization is identified for each facility type. Revenue sources are similarly classified for each facility type.

A. Transportation

Transportation infrastructure needs and standards are outlined in Chapter 5 Transportation Element of the 20-Year Comprehensive Growth Management Plan 2004-2024. Clark County's Transportation Improvement Program (TIP) 2007-2012 serves as the capital facilities financial plan for roads. The TIP identifies individual projects, their expected costs, and anticipated funding sources and is summarized in Table 2 below:

Table 2 Transportation Improvement Program 2007-2012 Summary

Expenditures	Existing Needs	New Development	Total
Road Construction Projects	\$99,960,000	\$76,272,000	\$176,232,000
Total Expenditures	\$99,960,000	\$76,272,000	\$176,232,000
Resources			
Traffic Impact Fees ¹	\$4,392,000	\$5,438,000	\$9,830,000
Grants (Majority projected)	23,478,000	17,327,000	40,805,000
Road Fund Revenue for Capital	70,594,000	52,607,000	123,201,000
Other Revenue (Partnerships, Reimbursable)	1,496,000	900,000	2,396,000
Total Resources	\$99,960,000	\$76,272,000	\$176,232,000

Existing Needs and New Development:

Clark County has in place a system of transportation impact fees based on analysis of the road service levels and the impact of new development on the transportation network. On this basis, project costs totaling \$76.2 million are allocated to "New Development." These costs are financed with a mix of traffic impact fees and road construction grants. The remainder of the construction program, totaling \$99.9 million, reflects existing transportation needs and the public share of impact fee-funded projects. The public share of impact fee-financed projects, reflecting the portion of those projects allocable to current demand, is included in the "Existing Needs" column of this table.

¹ The traffic impact fees are based on the adopted 2007-2012 Clark County Transportation Improvement Program.

BOCC Action Needed:

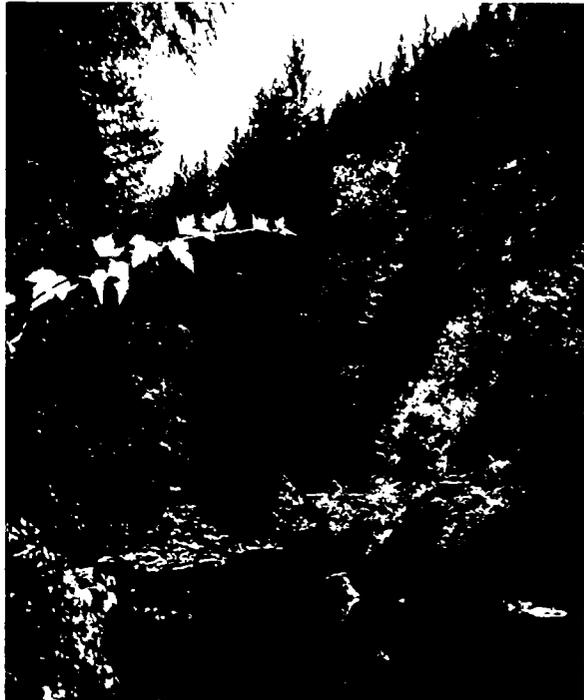

No extraordinary action by the Board of County Commissioners is needed to implement the funding sources included in this portion of the plan.

Financial Impact Summary:

- General Purpose Resources Needed: none
- General Obligation Debt Needed: none
- Non-General Obligation Debt Needed: none

B. Parks and Open Space

One of the Growth Management Act's 13 primary goals is to "Encourage the retention of open space and development of recreational opportunities, to conserve fish and wildlife habitat, increase access to natural resource lands and water, and develop parks."

Clark County's standards and needs for parks and open space are outlined in Chapter 7 Parks, Recreation, and Open Space Element of the 20-Year Comprehensive Growth Management Plan, which also includes the capital facilities plan for parks¹. The capital facilities plan identifies individual acquisitions and development projects, as well as ongoing allocations for major capital repairs and improvements to existing parks. It also identifies anticipated funding sources for each project. The urban park component of the capital facilities plan is based on needs and adopted standards for residents of the Vancouver urban growth boundary as of November 2006. The parks and open space program is summarized in the table below:

¹ The capital facilities plan referenced here is part of the Draft 2006 Comprehensive Parks, Recreation & Open Space Plan, with expected adoption in May 2007

² Expenditures and Revenues for existing and new development are based on adopted standards, where applicable, or are weighted based on the relative contribution of existing and new residents to the 2012 expected population.

³ Estimated expenditures for urban parkland assume acquisition and development of sufficient parkland to meet current deficits and 2012 needs and revenues and expenditure values for the Greater Clark Parks District current as of December 2006.

⁴ The Park Impact Fee revenues shown here assume rate updates pursuant to Clark County Code CCC 12.65.098.

⁵ An additional funding source for regional park acquisition and development is needed to meet current and future need, based on adopted standards. Regional park acquisition and development projects necessary to meet the needs of new development have not been included here due to the size of existing parkland deficits and the lack of a dedicated funding source.

⁶ An additional funding source for regional trail acquisition and development is needed to allow completion of projects outlined as part of the regional trail system envisioned in the Clark County Regional Trail & Bikeways System Plan.

Existing Needs and New Development:

As with roads, the use of impact fees as a funding source has been taken as an estimate of the effect of new development, as distinct from existing park needs. The parks capital facilities plan is envisioned as a first stage of a twenty-year acquisition and development program intended to meet the park and open space needs of the community. Needs associated with new development during that twenty-year period will be met as they arise, using, in part, impact fees as a funding source.

BOCC Action Needed:

To fully implement the plan outlined in Table 3, the Board of County Commissioners may establish a funding mechanism for the acquisition and development of regional parks and trails and update urban park impact fees.

Financial Impact Summary:

- General Purpose Resources Needed: none
- General Obligation Debt Needed: none
- Non-General Obligation Debt Needed: none

C. Stormwater Drainage and Water Quality

The following is a discussion of the funds available for stormwater improvements and potential future costs. Stormwater water quality improvements are funded through the Clark County Clean Water Program (CWP), which is funded through an annual fee charged to owners of property with impervious surfaces, in unincorporated areas of Clark County with an

improvement value of \$10,000 dollars or greater. The fee is \$33.00/3,500 square feet of impervious area, which is the assumed impermeable surface area (roof, driveway, and deck/patio) for a single-family home or an Equivalent Residential Unit (ERU). Multi-family residential dwellings, such as trailer parks and apartments, pay a rate of \$33.00 per dwelling. Commercial and industrial sites, as well as county roads are billed by increments of 3,500 square feet of actual impervious areas. State highways are also billed by increments of 3,500 square feet of actual impervious area but at a rate of \$9.90 per ERU as established by state law.

This fee will raise approximately \$9.5 million every two years for overall clean water programs. Of this amount, approximately \$4.4 million is available for capital design, right-of-way, construction, and operation and maintenance. Currently, there is a reserve of approximately \$9.7 million, some of which may be available for capital projects and construction of future projects resulting from stormwater basin planning.

During 2006, the CWP developed a list of over \$19.5 million in stormwater capital improvements and received approval from the Board of Commissioners to implement. The 2007-2012 Public Works Transportation and Capital Improvement programs will construct these projects. In addition, there are funds spent on stormwater mitigation as part of new road construction. The 6-year capital facilities plan for stormwater and water quality has a greater potential for variation and adjustment over the 6-year period.

Existing Needs and New Development:

The above stormwater projects focused on the Whipple Creek Watershed. Over the next several years the need for stormwater improvements will include other watersheds, such as; Gee Creek, Curtin Creek, etc. and other retrofit activities and regional stormwater facilities where possible.

BOCC Action Needed:

The Clean Water Program will annually update the Board of County Commissioners on the status of the Stormwater Capital Improvements.

- Non-General Obligation Debt Needed: none

D. Wastewater Treatment

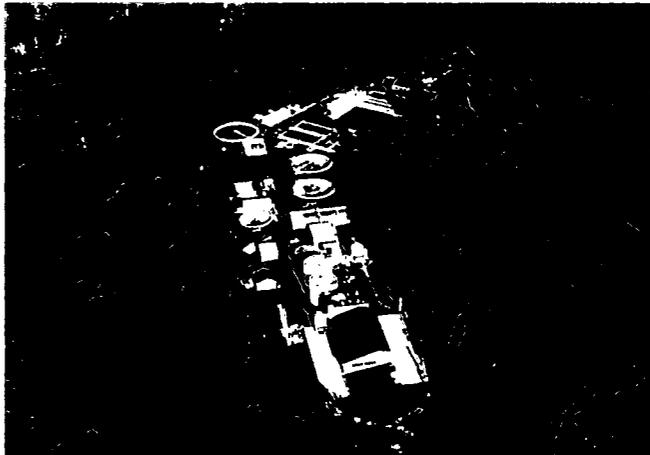

The capital facilities plan for Clark County's Salmon Creek Wastewater Management System appears in the Wastewater Facilities Plan/General Sewer Plan for the Phase 4 Expansion Program (CH2M HILL, July 2004). This document described the improvements required for the Phase 4 Expansion taking the capacity of the Salmon Creek Wastewater Treatment Plant from 10.3 million gallons per day (MGD) to 14.95 MGD. The Phase 3 Expansion was implemented previously over the period 1993-1999. The county has completed the planning, permitting, and design process for the Phase 4 Expansion. Construction will start in 2007 and be complete by 2009. The estimate of the Phase 4 Expansion program costs are defined in the table below based on current available information.

Table 5 Salmon Creek Wastewater Treatment Plant Phase 4 Expansion Summary

Source: Wastewater Facilities Plan/General Sewer Plan for the Phase 4 Expansion Program, CH2M HILL, July 2004.

The "Wholesale Customers" line in Table 5 represents payments from Clark County's wholesale wastewater treatment customers; the Clark Regional Wastewater District (CRWWD) and the City of Battle Ground. The wholesale customers are financing their respective portion of the Phase 4 Expansion without relying on county issued debt. The wholesale customers will pass the cost on to their ratepayers by charging system development charges (SDCs) for new hookups and/or by adjusting monthly sewer rates.

Existing Needs and New Development:

Clark County’s Salmon Creek Wastewater Management System is adequate to meet existing demands. Further sewage treatment plant expansions are planned chiefly to address the needs of new development. The Phase 4 Expansion of the plant outlined above will meet the forecast demand for the next ten years.

BOCC Actions Needed:

The program shown in Table 5 assumes that major sewer facility expansions will be financed from revenue received from the county’s wholesale wastewater treatment customers. The wholesale customers bear the full cost and responsibility for the expansion costs.

- General Obligation Debt Needed: none
- Non-General Obligations Debt Needed: none

E. County Buildings & Other Facilities

Chapter 6 of the Comprehensive Growth Management Plan outlines the county’s plans for new, expanded, and renovated facilities. These include the expansion of the downtown campus specifically the Law and Justice Center; development of the 78th Street/WSU Property; expansion of the 149th Street – Brush Prairie site; the enhancement of the Clark County Health Campus, the Tri-Mountain Golf Course, county railroad improvements, and energy conservation/renewable energy projects across a wide range of county buildings and structures. The financial impacts of the projects falling within the 2007-2012 timeframe are summarized in Table 6 below:

Existing Needs and New Development:

The Comprehensive Growth Management Plan does not identify the portions of the building and facility program that are attributable to existing needs and to new development. In this presentation, the full amount is shown simply as "new development."

Existing needs include the carryover and completion of projects that began prior to 2007. New development includes:

1. expansion of the downtown campus: the expansion of the county's Law and Justice Center, additional courtrooms, jail space, administrative space and parking;
2. development of the 78th Street/WSU Property;
3. the enhancement of the Clark County Heath Campus;
4. the construction of a new building at the Public Works 149th Street complex which will, at a minimum, house offices from the county's Sheriff, Community Development, and Weed Management Departments and the WSU Cooperative Extension Office;
5. improvements associated with the county's Tri-Mountain Golf Course;
6. energy conservation and renewable energy projects across a wide range of county facilities (including a potential biomass power plant); and,
7. improvements associated with the county railroad.

BOCC Action Needed:

To execute this plan the Board of County Commissioners will need to implement the fund actions below:

Financial Impact Summary:

- General Purpose Revenue Needed: none
- General Obligation Debt Needed: ~~\$264,500,000~~ **\$304,350,000**

F. Summary

The table below consolidates the information presented in Tables 2 through 6:

Table 7 Summary of Expenditures & Earmarked Funding

Expenditures	Expenditures	Earmarked Sources	New Development
Transportation	\$176,232,000	\$99,960,000	\$76,272,000
Parks and Open Space	160,909,000	116,805,893	44,103,107
Stormwater Drainage & Water Quality	19,500,000	4,400,000	15,100,000

The capital facilities program for all five facility types total ~~\$698.1~~ 740.6 million over the period from 2007 to 2012. Of this, ~~\$495.7~~ 538.1 million will be financed with the “earmarked” funding sources discussed above.

BOCC Action Needed (Recap):

To implement the plan outlined in Table 7, the Board of County Commissioners will:

- Establish a funding mechanism for stormwater and water quality facilities, such as a county-wide utility
- Ensure that charges to the county’s wholesale wastewater treatment customers are adequate to repay bonds issued to finance plant and system expansion.

Financial Impact Analysis (Totals):

- General Purpose Resources Needed: ~~\$495.7~~ 538.1 million
- General Obligation Debt Needed: \$0 none
- Non-General Obligation Debt Needed: \$67.0 million

GENERAL PURPOSE RESOURCES

To complete the financing of its overall capital facilities program, Clark County must allocate an additional \$398.1 million from its general-purpose resources. In prior capital facilities plans, available resources included the Real Estate Excise Tax to pay for capital improvements of County Buildings and Facilities (.25%) and for Park Development (.25%). In 2002, the Board of County Commissioners re-enacted the second REET splitting the percentage 50/50 for Park Development and Economic Development. Together, both of these resources are committed to existing capital needs over the period covered by this capital facilities plan. Future resources generated by the County Buildings and Facilities REET may be sufficient and available for buildings and facilities. REET is a tax on the sale of real property and can be volatile depending on economic and market conditions.

However, prior balances have been used to pay for prior capital needs. Available resources include the existing .25% Real Estate Excise Tax (REET); an additional 0.25% REET authorized by the Growth Management Act specifically to finance capital projects; and accumulated fund balance. Combined, these sources will provide adequate funding for the county capital facility needs.

Sufficient and available resources will not be sufficient to pay the long-term costs associated with Stormwater Drainage and Water Quality capital needs. The current fee of \$33.00/3,500 square feet of impervious area pays for the costs of improving water quality. An additional estimated \$9.5 million will be necessary to fund stormwater capital needs in the Salmon Creek/Lakeshore basins, flooding, water quality, and habitat improvements in the Lacamas basin, as well as the pockets throughout the remainder of the urban area. Establishing a funding mechanism will be necessary to address these needs. The mix of funding shown in this section depends upon forecasts of available revenues. It may therefore be necessary to modify the funding strategy in future years to accommodate unanticipated economic conditions.

A. Real Estate Excise Tax (REET)

The Growth Management Act, as amended by the legislature, identifies the local Real Estate Excise Tax as a capital funding option for local governments. It also gives localities the authority to levy a second .25% REET, in addition to the .25% authorized by prior legislation. The table below reflects estimated REET collections covered by this plan.

Table 8 Real Estate Excise Tax

	Total REET Revenue	Parks	Economic Development
Estimated REET Revenue – 2007	\$6,480,000	\$1,620,000	\$1,620,000
Estimated REET Revenue – 2008	6,480,000	1,620,000	1,620,000
Estimated REET Revenue – 2009	6,480,000	1,620,000	1,620,000
Estimated REET Revenue – 2010	6,480,000	1,620,000	1,620,000
Estimated REET Revenue – 2011	6,480,000	1,620,000	1,620,000
Estimated REET Revenue – 2012	6,480,000	1,620,000	1,620,000
Total Available REET	\$38,880,000	\$9,720,000	\$9,720,000
First .25% REET	\$19,440,000	\$0	\$0
Second .25% REET	19,440,000	9,720,000	9,720,000
Total Available REET	\$38,880,000	\$9,720,000	\$9,720,000

The estimate of \$38.8 million is available REET. However, considerable variance from the figures is possible. Careful monitoring of this revenue source will be needed throughout the six-year planning period, and changes in financing strategy may be called for in response to changing economic conditions.

B. Fund Balance

Fund balance represents surpluses that have been accumulated by the county in past years. Best viewed as “non-renewable resources,” fund balances are available to finance major one-time expenditures. Appropriate expenditures might include County buildings and facilities. Fund balance is probably less appropriate as a funding source for parks acquisition and development because the expenditures included in this 6-year plan are just a portion of the total 20-year parks program. An ongoing source of funds, such as the REET (see above) is needed to support the parks program. Available fund balances needed to complete the financing of the capital facilities plan are shown in Table 9, below:

Table 9 Fund Balances

Real Estate Excise Tax Fund Balance	\$34,780,000
Capital Fund Balance	2,500,000
Total Fund Balance	\$37,280,000

C. Summary

Table 10, below, summarizes the total financial plan supporting the capital facilities program for the 6-year from 2007 to 2012.

Table 10 Total Financial Plan Summary 2007-2012

Total Expenditures	\$698,141,000 740,641,000

The “Extended” REET was enacted by the Board of County Commissioners in 2002.

POLICY IMPLICATIONS

This section recaps the Board actions necessary to implement this financial plan, outlines the overall, long-term financial impact of this plan on the county, and highlights the role of the budget process in implementing, monitoring, and modifying this plan.

A. Implementation Action Needed

As discussed above, a number of Board actions are needed to implement this financial plan. These include:

- Implementing a funding mechanism (such as a property tax or tipping fee) sufficient to generate enough funds for the Conservation Areas Acquisition Program.
- Establishing a funding mechanism (such as a county-wide utility) for the capital costs of water quality and drainage with a fee structure.
- Ensure that the rates charged by the county to its wholesale customers are adequate to repay bonds issued for expansions. Maintaining a sewer rate structure adequate to cover the costs of future expansion.

B. Long-Term Financial Impact

Implementation of this financial plan will have an impact on the county's financial condition extending well beyond the six-year time horizon of the plan itself. While it is difficult to foresee the implications of these effects, it is important to be aware of them. The following points should be kept in mind:

- Most or all of the revenue from the existing Conservation Futures property tax levy will be committed to servicing bonds issued in 2002 for the next twenty years. Thus, a significant source of funding for the parks program contained in this plan will not be available again until the year 2024.
- Revenues from the Real Estate Excise Tax (REET) are committed to servicing debt on the Jail Work Center, Juvenile Center, and Public Service Center. Revenues from the REET may be available to meet this need, depending upon economic and market conditions and other community needs.
- A portion of the Fund balance accumulated in recent years has been expended. This may limit the county's ability to meet unanticipated needs in future years.

C. Budget Process Implications

This document is a long-term plan. Responsibility for the year-to-year financial decisions needed to implement the plan will fall to the county's budget process. Key tasks the budget process will need to perform include the following:

- Monitoring economic conditions and revenue estimates and, when necessary, modifying the financial plan to address changing conditions.
- Monitoring project expenditures to ensure that they remain within planned levels and, when necessary, modifying the financial plan to address changing conditions.

- Deciding the timing of the expenditures and debt issuance within the six-year time frame of the financial plan.
- Managing operating expenditure levels to ensure adequate funding for the maintenance of capital facilities developed under this plan.
- Reviewing the needs and priorities of the community, and, when necessary, modifying the capital plan and its financial elements accordingly.

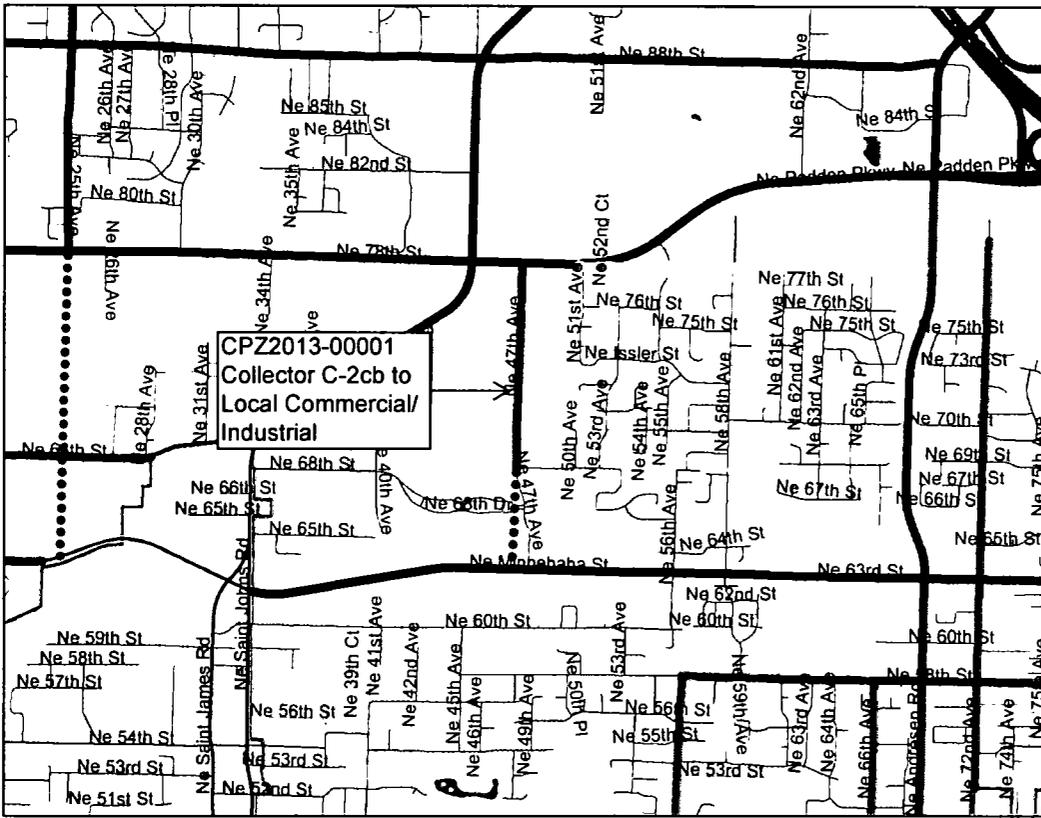

D. Impact on Households

In some areas, this financial plan calls for new fees or taxes. The following summarizes the estimated financial impact of the changes described on individual households. These are estimates only, and, in certain cases, the decisions needed to precisely quantify the impacts have not yet been made.

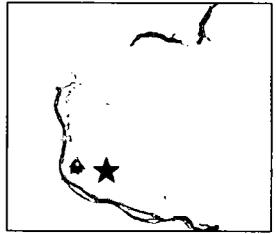

- ***Transportation:*** No new taxes or fees anticipated within the 6-year time frame as outlined in this document.
- ***Parks and Open Space:*** A funding strategy will be needed to enable the Conservation Areas Acquisition Program. Originally contemplated using the Conservation REET, funding options also includes a property tax and garbage tipping fees, among others.
- ***Stormwater Drainage and Water Quality:*** A funding strategy will be necessary to pay for the capital costs of stormwater and water quality
- ***Wastewater Treatment:*** The costs of expanding the wastewater treatment system will be charged back to individual ratepayers and new development by the county's wholesale customers. The exact costs to ratepayers will not be known until the Clark Regional Wastewater District and the City of Battle Ground develop these rates.
- ***County Buildings and Other Facilities:*** Future funding will likely come from voter approved bond.
